

**Deaf and Hard of Hearing Services  
Solicitation for Proposals (SFP)  
State Fiscal Year 2011-2012**

**Questions and Answers**

**May 2011**

**1. How many grants are anticipated to be funded under this SFP?**

The number of grants funded will be determined by the total of proposals submitted which satisfies all of the criteria listed in the solicitation, and the funding amount requested by the solicitor for operation. As identified in Section 1, OVERVIEW, Part D, the total grants awarded will not be less than those sites currently providing services.

**2. Who are the current funded agencies in the geographical areas referenced on page 5 of the SFP?**

The EDD currently fund the geographical areas and their service providers listed below. Priority will be given to these locales to prevent and/or minimize disruption in services.
