SUBJECT: VIDEO CONFERENCE ON BUILDING AN AFTERSCHOOL
WORKFORCE COLLABORATION

The California Department of Education, After School Program Office, in partnership with the California Employment Development Department and the Children's Initiative, invites you to participate in a statewide videoconference as follows:

BUILDING AN AFTERSCHOOL WORKFORCE COLLABORATION
Connecting After School Programs with local Workforce Investment Services
AUGUST 21, 2012
9 A.M. - 11 A.M.

Presenters include:

- Michael Funk, Director, California Department of Education, After School Division
- Sandra McBrayer, Chief Executive Officer of the Children's Initiative
- Dennis Petrie, Deputy Director, Workforce Services Branch, Employment Development Department

The purpose of the videoconference is to connect after school programs to local Workforce Investment Act (WIA) youth and adult services throughout the state. The federal WIA through state and local Workforce Investment Boards (WIB's) supports the increase of employment, retention and training for unemployed, under-employed, military and youth. Partnering with local WIB's can result in successful recruitment of qualified staff for after school and summer programs at little or no cost. Collaboration with local workforce service providers can be a long-term sustainability strategy to develop broader recruitment pipelines necessary to meet after school staffing needs throughout the state. This strategy also allows after school programs the possibility to offer older youth access to meaningful employment and promising career pathways.

The video conference will be held in several locations throughout the state, hosted by after school regional leads. The list of these locations is attached.

The EDD, an equal opportunity employer/program, is a partner in this publication. Auxiliary aids and services are available upon request to individuals with disabilities. Requests for services, aids, and/or alternate formats need to be made by calling (916) 654-8055 (Voice). TTY users, please call the California Relay Service at 711.

Please encourage your One-Stop Career Center Operators and/or other local WIA staff to participate by attending the nearest video conference location, where they will network with local “After-School” employers.

One-Stop Career Center staff who will be attending the Los Angeles County Office of Education event must RSVP to attend by contacting Rebecca Goldberg at rgoldberg@southbaycenter.com or (310) 714-6080. You can also RSVP online at <http://aspire.lacoe.edu>, click on the ‘Event Calendar/Registration’ menu and then select ‘Staff Development and Training’ tab.
