The Employment Development Department (EDD) announces up to \$250,000 in grant funds through a Campesino de California Outreach Solicitation for Proposals (SFP). These products will provide MSFWs timely information on the various programs and services offered through the EDD, including the H-2A Agricultural Worker Program.

Eligible applicants include non-profit public or private organizations, community and faith-based organizations, tribal government, and educational institutions. Individuals are not eligible to apply.
