Summary: For the period 10/1/2014 - 9/30/2015, La Cooperativa Campesina de California, will deliver, operate, and produce 12 one-hour, live interactive talk shows in Spanish, running concurrently with the 12 monthly La Voz del Campo publications. The radio talk shows will highlight Labor Market Information issues as well as pertinent information for farmworkers, including current job openings. La Cooperativa will produce a monthly printed publication of 45,000 copies of La Voz del Campo to over 400 community sites including an e-publication of the same that will be distributed to agencies that work directly with Migrant Seasonal Farm Workers. The volatility and uncertainty of the agricultural workforce make this an important project to the farmworker community.
