**EMPLOYMENT DEVELOPMENT DEPARTMENT
DEAF AND HARD OF HEARING SERVICES
SOLICITATION FOR PROPOSALS**

SECTION 1 – OVERVIEW

A. Purpose

The Employment Development Department (EDD) Workforce Services Branch (WSB) announces the availability of Wagner-Peyser (WP) 10 Percent Governor’s Discretionary Funds of \$2,250,000. The purpose of these funds is to provide employment and training services to individuals who are deaf or hard of hearing (DHH). These funds will help ensure that services provided to DHH individuals are at least equal to services received by non-deaf and non-hard of hearing persons.

This program provides DHH individuals with enhanced services and training in select America’s Job Center of CaliforniaSM (AJCC) locations throughout California. The program will help ensure effective communication and increased service opportunities for DHH individuals by providing specialized counseling, interpretive services, job placement, follow-up services and advocacy and specialized training to assist them in becoming job-ready. The program is also designed to assist job-ready DHH individuals in obtaining and retaining unsubsidized employment. The program also intends that interpretive services be provided to enable these individuals to receive other EDD related services.

B. Target Population

Proposals must target DHH individuals that are available for and seeking employment. These job seekers may also need additional skill enhancement training to become job-ready.

C. Eligible Applicants

Proposals will be accepted from public agencies or private non-profit corporations. Individuals are not eligible to apply. Applicants must clearly demonstrate their ability to provide services to the targeted population. Applicants may submit proposals to provide services for one or multiple sites. Applicants may also submit one proposal to provide services at multiple sites within a targeted geographical area.

D. Program Location(s)

Pursuant to the California Unemployment Insurance Code (CUIC), Section 11004, the EDD must determine the number and location of its offices within the state providing employment services to the deaf and hearing impaired and shall decide which offices shall be served by grantees. The CUIC also states that the EDD shall give priority to offices where grants (contracts) are necessary in order to prevent or minimize the disruption or the discontinuance of employment services to the deaf and hearing impaired that have been provided in conjunction with the EDD prior to July 1, 1984. In keeping with this requirement, the EDD has identified geographical areas where high concentrations of deaf and hearing impaired individuals reside. The EDD currently funds services in the geographical areas listed below and will give priority to programs and services in these locales to prevent and/or minimize disruption in services:

- San Francisco /Bay Area
- Los Angeles
- Santa Ana/Anaheim
- Riverside/Rancho Cucamonga
- San Diego/Oceanside
- Sacramento/Roseville

For this solicitation, the grantee will be required to work among other EDD staff located in designated AJCC sites. It is recommended that a minimum of two staff persons be assigned for the specified contracted hours. Grantees providing a reduced staffing level must provide written justification for the reduction. Refer to Appendix C for a listing of current sites and their locations.

If a grantee proposes to serve a geographical area not listed above, the proposal must clearly identify the DHH population and the need for services in that locale and demonstrate why those needs are not currently being met.

E. Funding

Applicants may submit one proposal for one geographical area or for multiple areas in California. The application must follow the proposal instructions. The total program funding available, for the period July 1, 2016 through June 30, 2017, will be \$2,250,000.

F. Allowable Use of Funds

The use of funds awarded in this SFP is governed by WP 10 Percent Governor's Discretionary Fund guidelines, State and federal directives, and the applicable uniform administrative requirements, cost principles, and audit requirements included in the appropriate circulars or rules of the Office of Management and Budget (WIOA Section 184[a][2] and [3]).

In addition, grantees will be responsible for any subsequent charges related to the secure operation of Videophones (VP). This includes, but is not limited to, securing an Internet Service Provider (ISP) and installing upgraded equipment for expansion and related functions. Services related to the VP's must continue to be coordinated with the EDD Information Technology Branch (ITB) staff.

Funds awarded under this SFP cannot be used to purchase real property or to construct buildings.

G. Administrative Cost Limits

A maximum of ten percent of the total project budget will be allowed for administrative costs. For purposes of developing a budget, the definition of administrative costs is provided in Appendix A. Administrative Cost Definitions.

H. Length of Project

The grant period for this award is 12 months, from July 1, 2016 through June 30, 2017. No obligation or commitment of funds will be allowed prior to or beyond the grant period. At the end of the grant period, the EDD may renegotiate the terms of each grant in accordance with allowable increases or decreases in the grantee's costs and grantee's demonstrated ability to provide the specified services. Any grant funds not expended during a grant period must be returned to the state.

SECTION 2 – GRANTEE REQUIREMENTS

A. Grantee Criteria

As required under Section 11003 of the CUIA, the criteria for choosing grantees shall include, but not be limited to the following:

- The ability to provide services in a deaf and hearing impaired individual's preferred mode of communication.
- The ability to secure community support, including written endorsements of local officials, employers, Local Workforce Development Areas and organizations of and for the deaf and hearing impaired.
- The existence of funding from one or more public or private sources.
- Participation of deaf and hearing impaired persons on the potential grantee's employment services staff, and in the case of a private nonprofit corporation, on their board of directors.
- A commitment to the development and maintenance of self-determination for deaf and hearing impaired persons.

To ensure effective collaboration, the grantee must coordinate with the EDD site manager at each AJCC where DHH staff will be co-located with EDD staff. The purpose is to foster a relationship and ongoing communication with EDD, and to determine how best to meet the office protocols and standards set forth for EDD staff.

Additionally, the grantee must collaborate with EDD prior to proposing the expansion of offices for serving DHH clients. Costs related to the installation and maintenance of new equipment for DHH staff in EDD sites may be paid for with the grant funds awarded.

B. Staffing Qualifications

The grantee should provide a minimum of two staff in designated AJCC's for the specified contracted hours. Grantees providing a reduced staffing level must provide written justification for the reduction. One staff must be a qualified sign language interpreter for the deaf. A copy of the staff's valid and current Comprehensive Skills Certification issued by the National Registry of Interpreters for the Deaf (RID), or equivalent California Association of the Deaf (CAD) certification or other certification approved by the EDD, must be provided to the AJCC site manager. Other staff members must have a demonstrable ability to communicate in sign language.

Effective August 2015, the RID Board of Directors announced a moratorium on credentialing pending the results of the Risk Analysis of the certification program. In response to this announcement, the EDD added the Educational Interpreter Performance Assessment (EIPA) as an equivalent credential.

In lieu of the RID certification or equivalent, an educational interpreter shall have achieved a score of 4.0 or above on the EIPA, the Educational Sign Skills Evaluation-Interpreter and Receptive (ESSE-I/R) and must meet the qualification standards for Educational Interpreter Regulations as identified by the California Department of Education as published July 1, 2008.

The grantee must provide services during normal office hours of 8:00 a.m. through 5:00 p.m., Monday through Friday, excluding Saturdays, Sundays and state holidays. Hours and days of service must be on a consistent schedule approved by the AJCC site manager. Services beyond the approved hours must be approved before being provided. Overtime pay for salaries will not be approved. On occasion, however, it may be necessary for staff to provide community services outside of the office. In the event of a planned absence from the office, the AJCC site manager or designee must receive advance notification and render approval. In the event of unplanned absences, the grantee must notify the AJCC site manager within one hour of the scheduled work

time. Scheduled hours of work and absences from the designated office are subject to the AJCC site manager’s approval.

C. Required Services

As required under Section 11002 of the CUIIC, employment services for the deaf and hearing impaired shall include, but are not limited to, the following:

- Complete communication services for all preparatory, job placement, and follow-up activities. The communication services shall include interpreter services by a professional interpreter for the deaf and hard of hearing possessing the comprehensive skills certification of the National Registry of Interpreters for the Deaf, or the equivalent, telecommunications, and, when necessary, training in communication skills.
- Advocacy to assure that DHH individuals receive equal access to public and private employment services.
- Job development and job placement.
- Employment counseling, including peer counseling by deaf or hearing impaired individuals.
- Follow-up counseling and problem solving after placement.

SECTION 7 – AWARD AND CONTRACTING PROCESS

A. Proposal Evaluation and Recommendation for Funding

Proposals will be scored and ranked by teams of independent reviewers based on the criteria set forth in this SFP. The scoring value of each section of the SFP is as follows:

Criteria	Points
Statement of Need	10
Target Group	10
Planned Approach	15
Goals and Objectives	10
Local Collaboration	15
Resource Utilization	10
Statement of Capabilities	20
Budget Summary Plan	10
Total Possible Points	100

The ranked scores will serve as the primary basis for making recommendations for funding in conjunction with other factors such as geographic distribution of funds, uniqueness, and innovative aspects of the proposal. Only those proposals deemed to be meritorious and in the best interests of the EDD will be recommended for funding. The EDD reserves the right to conduct on-site reviews of awardees' business facility prior to making final funding recommendations.

B. Notification of Funding

Following the selection of proposals to be funded, notification will be placed on the EDD Web site. Only selected awardees will be notified of the funding decisions. The EDD expects that the funding awards will be announced no later than June 10, 2016.

C. Contracting

The EDD staff will contact the awardees to finalize contract details. In some cases, EDD may request that the contract incorporate changes to the original project proposals. After the negotiations, if any, the EDD will mail the grant agreement (contract) to the awardees for signature. The EDD expects the contract negotiations to begin immediately following awards announcement in time to allow for a project start date of July 1, 2016. Awardees are advised to consider whether official action by a county board of supervisors, city council, or other similar decision making body will be necessary before agreeing to accept funds awarded under this SFP. The time needed for such official action will affect the grantees' ability to meet the project start date.

All awardees or grantees must comply with the grant General Provisions and Standards of Conduct.

SECTION 9 – ADMINISTRATIVE REQUIREMENTS

A. Monitoring and Audits

Grantees will be monitored and/or audited by the EDD, in accordance with existing policies, procedures, and requirements governing the use of WP funds. Grantees are expected to be responsive to all reviewers' requests, provide reasonable and timely access to records and staff, facilitate access to subcontractors, and communicate with reviewers in a timely and accurate manner.

Grantees that are units of local government, or non-profit entities must ensure that audits required under OMB guidelines are performed and submitted when due.

B. Record Keeping

Grantees will be required to maintain project and fiscal records sufficient to allow federal, State, and local reviewers to evaluate the project effectiveness and proper use of funds. The record keeping system must include both original and summary (e.g., computer generated) data sources. Grantees will retain all records pertinent to this grant (contract) for a period of three years from the date of final payment on the grant.

C. Reporting

Grantees must have the capability to report expenditures and outcome data to the EDD, in a manner that is timely, thorough, and accurate. Grantees will be required to submit one (1) signed original and three (3) additional copies of the monthly expenditure reports (invoice) and one (1) copy of the monthly activity report for reimbursement. These reports must be submitted by the 15th of the following month in which expenditures and activities occurred.

An audit by an independent Certified Public Accountant is also required as part of the closeout. The cost of this audit may be considered in planning the budget for this project.

F. Compliance

These requirements are detailed in governing documents that include, but are not limited to, Title 22 and its associated federal regulations, including Title 29 of the Code of Federal Regulations (CFR), and Office of Management and Budget (OMB) Circulars.

G. Evaluation

As a result, the EDD may pursue an evaluation of the projects awarded through this SFP. In the event that an evaluation is implemented, the applicant will be required to participate in that evaluation by providing requested data and information. All award recipients are expected to document lessons learned, and effective and promising practices ascertained through this project.

Client Workstations (Third-Party Software)

As indicated in the preceding table certain freely available third-party software is required on client workstations to maximize all of the features in the Virtual OneStop suite.

VOS	v12.x	v14.0	
Silverlight	v4	v5+	See below
Adobe Acrobat Reader	v6.0	v8.0+	http://get.adobe.com/reader/otherversions/
Adobe Flash	v10.1	v11+	
Meadco ScriptX	v6.5	v7.4+	http://scriptx.meadroid.com/home.aspx
Microsoft RSClientPrint for SSRS reports			http://technet.microsoft.com/en-us/library/dd283109.aspx Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine. A user with permissions would opt to install when prompted by their browser to download the Active X control.

Meadco ScriptX 7.4: ScriptX provides for the closely controlled printing of HTML- and XML-based documents. It is a client-side ActiveX object used throughout Virtual OneStop to ensure the consistent formatting and appearance of printed output from any local or networked printer, regardless of the printing attributes already set in that computer's browser. It temporarily controls printer settings such as margin sizes, header and footer information, page numbering, and whether to print in Landscape or Portrait mode. The control is in place at the time of printing a browser window or framed content; all settings are automatically restored to default settings and no permanent changes are saved. ScriptX v6.5 or later is required when working with Internet Explorer 8 on Windows XP, Windows Vista, and Windows 7.

Microsoft Silverlight v5: Silverlight is a cross-browser, cross-platform, and cross-device browser plug-in that helps companies design, develop, and deliver applications and experiences on the web. It usually installs in less than 10 seconds as a free browser plug-in that is approximately 4 MB in size. Silverlight enables rich, safe, secure, and scalable cross-platform experiences. In Virtual OneStop, it is used to enable the graphs and maps options that are part of the LMI profiles and other graphic LMI displays of information.

The MSIE min version depends on the OS:

- SL v4
Win XP SP2/3 – MSIE 6
Win 7 – MSIE 8

- SL v5
Win XP SP3 - MSIE 7
Win 7 – MSIE 8
Win 8 – MSIE 10
Win 8.1 – MSIE 11

Adobe Acrobat Reader 11: Certain documents (such as User Guides and Quick Reference Cards) are available to our customers on our external OPC website as Adobe Acrobat files. They are also frequently attached as some of the resources that are available on the Staff Online Resources page in Virtual LMI. These files can be read with Adobe Acrobat Reader 6.0 or higher; however, it is recommended that this recent version of Adobe Acrobat Reader be installed. Acrobat Reader is free browser software.

Adobe Flash 11: The Training/Learning Center Videos for Virtual OneStop can be watched with Adobe Flash 9 or later, although we recommend the current version 11. Adobe Flash is free browser software. The only limitations may be with client firewalls and security obstructions that may keep the videos from functioning correctly.

RSClientPrint is a Microsoft ActiveX control that enables client-side printing of Microsoft SQL Server Reporting Services reports. The ActiveX control displays a custom print dialog box that shares common features with other print dialog boxes. The client-side print dialog box includes a printer list for selection, print preview option, page margin settings, orientation, etc.

Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine.

VOS uses CKEditor version 4.3.1

The version 14.0 Virtual One Stop (VOS) is currently using version 4.3.1 of CKEditor. CKEditor is used within the VOS system to allow you to use common word processing features in the system with such things as job descriptions, résumés, and cover letters.

CKEditor supports all popular browsers including Chrome, Firefox, Internet Explorer, Opera and Safari. However, Internet Explorer 7 (or lower) and Firefox 3.6 are no longer supported (CKEditor 4.1.3 was the last version to support Internet Explorer 7 and Firefox 3.6).

It should also be noted that while the latest version of Safari is actively supported, earlier versions may have compatibility issues.

If you are using these unsupported browsers versions, your browser should be updated to avoid compatibility issues.
