

**Employment Development Department
Worker Adjustment and Retraining Notification
(WARN) Act Notices**

Detailed Listing of WARN Information by Company Name (B-D) - 2012

Abbreviations:

- EDNS - Employer Did Not State, i.e., the employer did not provide the information to EDD in the WARN notice submitted.
- # - Use of the number sign(#) indicates the number of employees laid off in each job title.

Note:

Due to space limitations, only a maximum of 50 job titles are listed under each Company WARN notice. Job titles are reproduced as submitted to EDD by the employer in the WARN notice.

A labor union or multiple labor unions may be listed under a Company's WARN notice, however, not all job titles may be covered by the union(s).
