DEPOSIT SCHEDULE AND PAYMENT DUE DATES

Payroll tax payments should be remitted with a properly completed DE 88/DE 88ALL coupon. **IF THE DE 88/DE 88ALL IS IMPROPERLY COMPLETED, YOUR PAYMENT MAY BE POSTED TO THE INCORRECT QUARTER AND/OR YEAR AND INTEREST AND PENALTY MAY BE CHARGED.** The postmark date is used to determine the timeliness of tax payments, and penalty and interest are charged on tax payments received late.

California Personal Income Tax (PIT) and State Disability Insurance (SDI) due dates are generally the same as federal deposit due dates:

If your Federal Deposit Schedule/Requirement is	AND You Have Accumulated State PIT Withholdings of	If Pay Date Is	PIT and SDI Deposit Due by ¹	"Deposit Schedule" to mark on DE 88/DE 88ALL

- 1** If the due date falls on a Saturday, Sunday, or legal holiday, the due date is extended to the next business day. For example, if a deposit is due on Friday, but Friday is a holiday, the due date is extended to the following Monday.
- 2** If you have accumulated less than \$350 of PIT and choose to make an additional deposit before the quarterly due date, designate item 2, "DEPOSIT SCHEDULE," as **QUARTERLY** on your DE 88 coupon.
- 3** The transition period of the semiweekly schedule allows employers to make deposits in any one of the three business days following the last pay date. If any of the transition period days is a legal holiday, you are given an extra business day to make your deposit.
- 4** This is not a federal deposit schedule. If you do not meet one of the above schedules, you are required to make California payroll tax deposits quarterly. More information about federal deposit schedules can be found in the Internal Revenue Service's *Employer's Tax Guide* (Publication 15, Circular E). This guide can be found at www.irs.gov on the Internet.
- 5** A deposit of employer UI and ETT contributions and any accumulated SDI and California PIT withholdings not previously paid, **MUST BE DEPOSITED EACH QUARTER** by the due dates shown.
- 6** If your federal deposit schedule/requirement is annually, you are required to make California payroll tax deposits quarterly or monthly based on the guidelines in the above table.

REMEMBER: Once you make a Next Banking Day deposit to the IRS, your federal deposit schedule automatically becomes Semiweekly for the remainder of that calendar year and all of the following calendar year.

PAYROLL TAX PAYMENTS ARE DUE AND MUST BE REPORTED IN THE QUARTER THE WAGES WERE PAID, NOT IN THE QUARTER THE WAGES WERE EARNED.

PAYROLL TAXES

California PIT Withholdings	Employers may be required to withhold California PIT from their individual employee wages. The PIT withholding schedules are located in the 2012 <i>California Employer's Guide</i> (DE 44), mailed to you under separate cover. If you do not have this guide, contact the EDD's Taxpayer Assistance Center toll-free at 888-745-3886.
California PIT Deposit Threshold	The California PIT deposit threshold is used in conjunction with your Federal Deposit Schedule to determine when your deposit is due based on the amount of accumulated California PIT that you have withheld. See page 2.
State Disability Insurance (SDI)	The SDI rate (includes percentage for Paid Family Leave) is the same for all employers and may fluctuate annually. Subject employers must withhold SDI from individual employee wages to the taxable wage limit of \$95,585.
Unemployment Insurance (UI)	An employer's UI contribution rate is based on their reserve account balance and may fluctuate annually. Subject employers are responsible for paying UI on individual employee wages to the taxable wage limit of \$7,000.
Employment Training Tax (ETT)	Employers with a positive reserve account balance are required to pay ETT on individual employee wages to the taxable wage limit of \$7,000.

TO AUTOMATE YOUR PAYROLL TAX PAYMENTS AND ELIMINATE PREPARING A DE 88/DE 88ALL COUPON, USE ELECTRONIC FUNDS TRANSFER (EFT). Contact our EFT Unit at 916-654-9130 or fax 916-654-7441 for more information. The EFT program information can also be found in the *Electronic Funds Transfer Program Information Guide* (DE 27), the 2012 *California Employer's Guide* (DE 44), or go to our e-Services for Business at <https://eddservices.edd.ca.gov>.
