Who Is a Household Employer?

You may be considered a household employer if you hire someone to work as your employee in or around your home for the benefit of your personal household and not your business. If you employ one or more employees for your business, you will need to register as a commercial employer.

Household employment may occur in a variety of settings, such as a:

- Private home
- Apartment
- Boat or mobile home
- Summer or winter home
- Condominium
- Local college club
- Local chapter of a college fraternity or sorority
- Hotel room (when the worker is employed by you, not the hotel)

Private homes include fixed places of residence, apartments, and hotel rooms in which an individual or family reside. Private homes do not include premises used primarily as a business enterprise, unless the workers are employed by the resident of such a facility and not by the business. These premises includes residential care home, boarding house, hotel, hospital, etc.

Who Is a Household Employee?

The individual providing labor or services for remuneration is presumed to be your employee unless the hiring entity demonstrates all conditions of the ABC Test are met. If the worker is your employee, it does not matter whether the work is temporary, full-time, or part-time, or that you hired the worker through an agency.

The individual is an independent contractor and not your employee if the individual is free from your direction and control, performs work outside of the usual course of the hiring entity's business, and has their own independently established business of the same type as the work performed.

Refer to the table below for a list of workers who are or are not household employees. This list is not intended to be a complete list of household employees.

These Are Household Employees ¹	These Are Not Household Employees
<ul style="list-style-type: none"> • Au pair • Baby-sitters¹ • Butlers • Caretakers • Chauffeurs • Cooks² • Crews of private yachts • Gardeners³ • Governesses and governors • Home health care workers • Housekeepers • Janitors • Laundry workers • Maids • Pilots of private airplanes for family use • Pool maintenance persons⁴ • Valets • Waiters and waitresses² 	<ul style="list-style-type: none"> • Carpenters • Electricians • Librarians • Musicians • Nurses leased from a nursing registry • Painters • Plumbers • Private secretaries • Tutors • Workers from a temporary services, leasing or employment agency⁵ • Workers provided by independent businesses (for example: a janitorial service, catering service, gardening service, or pool maintenance service)

Family Employment – Spouse, parents, minor children (under 18 years old), and registered domestic partner are excluded from employment for Unemployment Insurance, Employment Training Tax, and State Disability Insurance reporting and withholding purposes. Those providing services as household employees are excluded from Personal Income Tax (PIT) withholding, but employers are required to report the wages that are subject to PIT. For additional information, refer to *Information Sheet: Family Employment* (DE 231FAM) and *Information Sheet: Specialized Coverage (Elective Coverage for Exempt Workers)* (DE 231SC) available online at [Forms and Publications](http://edd.ca.gov/payroll_taxes/forms_and_publications.htm) (edd.ca.gov/payroll_taxes/forms_and_publications.htm).

¹ A worker who performs childcare services for you in their home generally is not your employee.

² Unless employed by a catering service.

³ Unless employed by a gardening service.

⁴ Unless employed by a pool maintenance service.

⁵ As long as the requirements of section 606.5 and 687.2 of the California Unemployment Insurance Code (CUIC) are met.

Refer to the [Information Sheet: Household Employment \(DE 231L\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de231l.pdf) (edd.ca.gov/pdf_pub_ctr/de231l.pdf) for additional information regarding household employment.

Contact the Taxpayer Assistance Center at 1-888-745-3886 to get a DE 231L or for assistance in determining whether the people who work for you are independent contractors or household employees.

When Should You Register as an Employer?

You must register with the Employment Development Department (EDD) within 15 days after you have paid \$750 or more in total cash wages in a calendar quarter to one or more people who work as your household employee. Refer to [page 4](#) for additional information on who is a household employee.

Cash wages include payment for services by check or cash. Do not include noncash wages, such as meals and lodging, when calculating whether you have reached \$750 in cash wages. Refer to *What Are Wages?* on [page 10](#) for a complete definition of cash and noncash wages.

Once you meet the \$750 in cash wage limit, you must include all cash and noncash payments as subject wages. The amount of subject wages you pay in a calendar quarter will determine the employer payroll taxes you are required to withhold and pay.

If You Pay (in a Quarter)	Then
\$750 to \$999.99	Withhold State Disability Insurance (SDI) for the remainder of the current year and through the following year, even if wages fall below \$750 in a quarter.
\$1,000 or more	Withhold SDI and pay Unemployment Insurance (UI) and Employment Training Tax (ETT) for the remainder of the current year and through the following year, even if wages fall below \$1,000 in a quarter.

When Should You Register as an Employer?

The following examples will help clarify when you must register with the EDD, begin reporting employee wages and withholdings, and pay employer payroll taxes:

Cash Wages	Meals and Lodging	Am I Required to Register?
\$700	\$149	You are not required to register, report employee wages, or withhold and pay any California payroll taxes because the cash wage limit of \$750 in a quarter has not been met (the value of meals and lodging is not included in reaching the \$750 cash wage limit).
\$750	\$75	You must register, report employee wages, and withhold SDI on the entire \$825. You are not required to pay UI and ETT because the cash wage limit of \$1,000 in a quarter has not been met.
\$900	\$150	You must register, report employee wages, and withhold SDI on the entire \$1,050. You are not required to pay UI and ETT because the cash wage limit of \$1,000 in a quarter has not been met (the value of meals and lodging is not included in reaching the \$1,000 cash wage limit).
\$1,000	\$100	You must register, report employee wages, pay UI and ETT, and withhold SDI on the entire \$1,100 because you have met the \$1,000 cash wage limit in a quarter .

You **are** required to report employee wages that are subject to California Personal Income Tax (PIT), but you **are not** required to withhold PIT unless you and your employees agree to do so. Refer to [page 10](#) for information regarding PIT wages and [page 13](#) for information about PIT withholding.

How to Register as an Employer

You must register with us as a household employer for California payroll tax purposes when you have paid cash wages totaling \$750 or more in one calendar quarter to one or more people who work as your household employee.

Action Required: Review the filing requirements for each type of household employer on [page 16](#) to assist in determining whether you should register as an annual or quarterly household employer.

- All household employers are initially registered as a Quarterly household employer. If you are a household employer and plan to pay \$20,000 or less in cash and noncash wages in one calendar year, you must complete an [Employer of Household Worker Election Notice \(DE 89\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de89.pdf) in order to be converted to an Annual household employer. You will be required to complete a tax return and pay taxes annually and submit wage reports on a quarterly basis.
- If you are a household employer and plan to pay more than \$20,000 in cash and noncash wages, you will be registered as a quarterly household employer. You will be required to complete a tax return, wage report, and pay taxes on a quarterly basis.

Action Required: Complete the registration online or by mail:

Register online using the EDD [e-Services for Business](#) (edd.ca.gov/eServices).

Register by Mail

Complete and mail an [Employers of Household Workers Registration and Update Form \(DE 1HW\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de1hw.pdf).

SDI includes Disability Insurance (DI) and Paid Family Leave (PFL). You must post this notice in a prominent location that is easily seen by your employees. You will receive one of the following notices if you are subject to:

This must be given when an employer discharges, lays off, or places an employee on a leave of absence. Printed copies of this notice may be provided to employees in person or via mail. Notice may also be provided via email if the following requirements are met:

What Are Wages?

Wages are all compensation for an employee's personal services, whether paid by check, cash, electronic debit, or the reasonable cash value of noncash payments such as meals and lodging. The method of payment, whether by private agreement, consent, or mandate, does not change the taxability of wages paid to employees. Payments are considered wages even if the employee is a casual worker, a day or contract laborer, part-time or temporary worker, or paid by the day, hour, or any other method or measurement.

In addition, how employees are paid does not change the employer's responsibility for payroll taxes. Supplemental payments, including bonuses, overtime pay, commissions, and vacation pay are also considered wages.

If you pay your employees' share of Social Security, Medicare, or State Disability Insurance (SDI) without deducting the amounts from their wages, these payments may also be considered wages. Refer to the [Information Sheet: Social Security, Medicare, State Disability Insurance, Federal and State Income Taxes Paid by an Employer \(DE 231Q\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de231q.pdf), or contact the Taxpayer Assistance Center at 1-888-745-3886.

What Are Subject Wages?

Generally, all wages, unless excluded under the California Unemployment Insurance Code, are considered subject wages and are used to determine the amount of Unemployment Insurance (UI), Disability Insurance (DI), and Paid Family Leave (PFL) benefits a claimant receives. Subject wages are the full amount of wages paid to an employee, regardless of the UI taxable wage limits. Refer to the inside cover for the 2024 taxable wage limits.

What Are Personal Income Tax Wages?

Personal Income Tax (PIT) wages are cash and noncash payments subject to state income tax. Individuals must report PIT wages on their California income tax return. Most payments for household employees' services should be reported as PIT wages.

An employee's calendar year total for PIT wages should match with the amount reported on the employee's federal *Wage and Tax Statement* (Form W-2) in Box 16 (state wages, tips, etc.). Household employers are not required to withhold PIT; however, they are required to report PIT wages for each household employee.

For additional information about PIT wages, refer to [page 13](#).

Are Subject Wages and PIT Wages the Same?

In most situations, subject wages and PIT wages are the same. However, subject wages and PIT wages are reported separately on your EDD quarterly wage report.

For additional information:

- Annual household employers refer to [Information Sheet: Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers \(DE 3BHW\) \(DE 231PH\) \(PDF\)](#) (edd.ca.gov/siteassets/files/pdf_pub_ctr/de231ph.pdf).
- Quarterly household employers refer to [Information Sheet: Personal Income Tax Wages Reported on the Quarterly Contribution Return and Report of Wages \(Continuation\) \(DE 9C\) \(DE 231PIT\) \(PDF\)](#) (edd.ca.gov/siteassets/files/pdf_pub_ctr/de231pit.pdf).

These forms are available online at [Forms and Publications](#) (edd.ca.gov/payroll_taxes/forms_and_publications.htm) or you can contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

Meals and Lodging Values

Meals and lodging given to employees are wages. If your employees are covered under a contract of employment or union agreement, the taxable value of meals and lodging should not be less than the estimated value stated in that document. If the cash value is not stated in an employment contract or union agreement, use the tables and information below to determine the value of the meals and lodging you provide to your employees. Meals and lodging furnished for the employer’s convenience and on the employer’s premises are not subject to Personal Income Tax (PIT). If you withhold PIT from your employees’ wages, refer to [page 13](#).

Value of Meals					
Year	Three Meals per Day	Breakfast	Lunch	Dinner	Meal Not Identified
2024	\$ 14.85	\$ 3.05	\$ 4.55	\$ 7.25	\$ 5.35
2023	\$ 13.85	\$ 2.85	\$ 4.25	\$ 6.75	\$ 4.95

To calculate the value of lodging, multiply the amount you could rent the property for (ordinary rental value) by 66 2/3 percent (0.6667). Ordinary rental value may be calculated on a monthly or weekly basis. The table below shows the minimum and maximum amounts to report for lodging.

Value of Lodging		
Year	Minimum per Week	Maximum per Month
2024	\$ 60.05	\$ 1,852
2023	\$ 57.05	\$ 1,759

For additional information, refer to [Information Sheet: Household Employment \(DE 231L\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de231l.pdf), or contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance. To view the current and historical values for meals and lodging refer to [Rates and Withholding](#) (edd.ca.gov/Payroll_Taxes/Rates_and_Withholding.htm).

Withholding California Personal Income Tax

If a household employee wishes to have California Personal Income Tax (PIT) withheld from their wages **and** you agree to withhold it, you need to report and pay the PIT withheld to the Employment Development Department (EDD).

To have California PIT withheld, your employees must complete a state [Employee's Withholding Allowance Certificate \(DE 4\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de4.pdf) (edd.ca.gov/pdf_pub_ctr/de4.pdf).

Refer to the [California Withholding Schedules](http://edd.ca.gov/Payroll_Taxes/Rates_and_Withholding.htm) (edd.ca.gov/Payroll_Taxes/Rates_and_Withholding.htm) to determine the amount of PIT to be withheld from wages.

For more information, contact the Taxpayer Assistance Center at 1-888-745-3886.

PIT Wages and the Meals and Lodging Values: Meals and lodging are excluded from PIT wages and withholdings if you provide meals and lodging to your employees because it is convenient for you, **and**:

- Meals are furnished on your premises.
- or**
- Lodging is furnished on your premises and is required as a condition of employment.

Example: A governess lives and eats meals in your home so she can take care of your children. The value of the meals and lodging would not be considered PIT wages, and PIT would not be withheld because the meals and lodging are furnished on your premises for your convenience.

The value of the meals and lodging would be included in total subject wages reported on the *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) for annual household employers and on the *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C) for quarterly household employers. For additional information, refer to the [Information Sheet: Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers \(DE 3BHW\) \(DE 231PH\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de231ph.pdf) (edd.ca.gov/pdf_pub_ctr/de231ph.pdf).

If the meals and lodging do not meet the exclusions listed above, these amounts must be added to the cash wages paid to your employee(s) before computing the amount of PIT to withhold. Refer to the *Meals and Lodging Values* on [page 11](#) to determine the cash value to report, or visit [Meals and Lodging Values](#) (edd.ca.gov/Payroll_Taxes/Rates_and_Withholding.htm).

Remember:

- An employee's calendar year total for PIT wages should match with the amount reported in Box 16 on the employee's *Wage and Tax Statement* (Form W-2). Find additional information about Form W-2 online by visiting [Internal Revenue Service \(IRS\)](http://irs.gov) (irs.gov).
- While household employers are not required to withhold PIT, they are required to report PIT wages on the *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) or *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C). The PIT wages are reported separately from subject wages on the quarterly wage reports (DE 3BHW or DE 9C) that you file with us.

Are You an Annual or Quarterly Household Employer?

Annual Household Employers Overview

Household employers who pay \$20,000 or less in cash and noncash wages in one calendar year and are current on their reporting and payments may elect to make one yearly payment for their California payroll taxes. If you elect to pay taxes annually, you must still report employee subject wages, Personal Income Tax (PIT) wages, and PIT withholdings quarterly.

You will not automatically be considered an annual household employer, even if you pay \$20,000 or less in wages.

To request to become an annual household employer, you must submit the following form to the EDD:

- *Employer of Household Worker Election Notice* (DE 89). Refer to information below regarding the DE 89.

If you are approved as an annual household employer, you must file the following forms:

- **Quarterly:**
File an *Employer of Household Workers(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) to report employee subject wages, Personal Income Tax (PIT), and PIT withholding.
- **Annually:**
File an *Employer of Household Worker(s) Annual Payroll Tax Return* (DE 3HW) with a payment for the total payroll taxes due.

Submit forms online using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices).

Sample forms are provided on [pages 8](#) and [18](#).

Note:

- If you are approved as an annual household employer, but you submit a tax return and payments quarterly, your account will be converted to a quarterly household employer account. In order to revert back to an annual household employer, you will need to submit a DE 89.
- If you are an annual household employer and your total accumulated wages exceed \$20,000 during the calendar year, you must contact us immediately to change your filing status to a quarterly household employer. You can submit a request to us to terminate the annual household employer election and revert the account to quarterly filing of tax returns, wage reports and payments using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices). Refer to [page 24](#) for additional information.

Employer of Household Worker Election Notice (DE 89) Overview

Household employers who pay \$20,000 or less in wages per year and are current on their reporting and payments can use the DE 89 to elect to pay California payroll taxes annually instead of quarterly. If approved, the election is effective the first day of the calendar year in which the election is filed. If you pay more than \$20,000 in accumulated wages in a year, the election will be terminated and you will be required to file and pay all payroll taxes owed for the year at the end of that calendar quarter.

Download the [DE 89 \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de89.pdf) (edd.ca.gov/pdf_pub_ctr/de89.pdf), or contact the Taxpayer Assistance Center at 1-888-745-3886.

California law allows certain employers of household workers the option to pay California employment taxes for their household employees annually instead of quarterly. Information on wages paid to employees must still be reported on a quarterly basis. To be eligible to elect this option, an employer must:

- Be registered with the Employment Development Department (EDD) as an employer of household workers.
- Have no delinquent taxes or returns due to the EDD.
- Intend to pay \$20,000 or less in wages in a calendar year to household employees. (The sum of all subject wages, cash or noncash, paid to all employees must be no more than \$20,000 per year.)

To elect this tax payment option, complete the election notice at the bottom of this document and return it to the address indicated below. If approved, you will be notified in writing. Once approved, the election is effective the first day of the calendar year, January 1, in which the election is filed.

As an annual payer, you will file the quarterly *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings*, [DE 3BHW](#), and the annual *Employer of Household Worker(s) Annual Payroll Tax Return*, [DE 3HW](#). **Until the EDD responds to your request**, please continue to file the *Quarterly Contribution Return and Report of Wages*, [DE 9](#), and the *Quarterly Contribution Return and Report of Wages (Continuation)*, [DE 9C](#), along with your *Payroll Tax Deposit*, [DE 88](#).

You can submit employment tax returns, wage reports, and payroll tax deposits electronically using e-Services for Business at www.edd.ca.gov/e-Services_for_Business to comply with the e-file and e-pay mandate. For more information on this mandate, visit www.edd.ca.gov/EfileMandate.

Please note, if you pay more than \$20,000 in wages in any given year, the annual payer election will be terminated, your account will revert back to a quarterly payer, and you will be required to file and pay all payroll taxes owed for the year at the end of every calendar quarter.

If you have any questions or need assistance, call the Taxpayer Assistance Center toll-free at 1-888-745-3886 or TTY 800-547-9565, or visit the EDD website at www.edd.ca.gov to view the *Household Employer's Guide*, [DE 8829](#).

Please cut and return the bottom portion of this notice to the address below. You may also fax your election notice to 1-916-654-9211.

EMPLOYER OF HOUSEHOLD WORKER ELECTION NOTICE

I am an employer of household workers and wish to elect to pay California employment taxes annually. I intend to pay no more than \$20,000 per year in wages to my workers. I understand that if I pay more than \$20,000 during the year, the election will be terminated and I will be required to file and pay all payroll taxes owed for the year at the end of that calendar quarter. I will also be required to file quarterly tax returns with payment for the remainder of the year. I will then need to file a new election to be eligible for this program in the future.

Employer Paid Taxes for Employees

If you pay the State Disability Insurance (SDI) tax without deducting it from your employees wages, the amount of the SDI you paid **is** considered an increase in the employees wages and **should** be included in subject wages for Unemployment Insurance (UI), Employment Training Tax (ETT), and SDI purposes.

If you pay Social Security or Medicare without deducting them from your employees wages, the amount you paid **is not** considered an increase in the employees' wages and **should not** be included in subject wages for UI, ETT, or SDI purposes.

If you and your employees have agreed to withhold Personal Income Tax (PIT), the amount of Social Security, Medicare, or SDI that you paid without deducting from the employee's subject wages **should** be included in **PIT wages** and used to calculate the PIT withholding amount.

For help with calculating subject wages and PIT wages under these circumstances, refer to [Information Sheet: Social Security/Medicare/State Disability Insurance/Federal and State Income Taxes Paid by an Employer \(DE 231Q\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de231q.pdf) (edd.ca.gov/pdf_pub_ctr/de231q.pdf). No Longer Paying Wages

If you stop employing people to work in your home and do not intend to hire anyone in the future, submit your final *Employer of Household Worker(s) Annual Payroll Tax Return* (DE 3HW) and a payment for the total payroll taxes due, and your *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) for the quarter. These must be submitted within 10 days of when you stop employing people, regardless of the normal due date. If you plan to employ people to work in your home in the future, but do not have payroll this quarter, file a DE 3BHW indicating you do not have payroll to report. If you have an approved e-file and e-pay mandate for employers' waiver and file by paper, mark *No Payroll This Quarter* (Item B) on the DE 3BHW. These reports must be filed even if no wages were paid in the quarter. Contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

Household employers may close their employer payroll tax account online using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices). If you resume paying wages in excess of \$750 in a calendar quarter, you may also request to reopen your employer payroll tax account through e-Services for Business.

When to Change From an Annual Household Employer to a Quarterly Household Employer

If at any time during the year the total accumulated wages exceed \$20,000, you must notify us immediately. The election to pay annually will be terminated. You can submit a request to the EDD to terminate the annual household employer election and revert the account to quarterly filing of tax returns, wage reports and payments using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices). For additional information, refer to [Information Sheet: Household Employment \(DE 231L\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de231L.pdf), (edd.ca.gov/pdf_pub_ctr/de231L.pdf), or contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

As a quarterly household employer, you will no longer need to prepare a DE 3HW or a DE 3BHW. Each quarter, you will complete a *Quarterly Contribution Return and Report of Wages* (DE 9) and a *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C). You will also need to submit a *Payroll Tax Deposit* (DE 88) payment to us at least quarterly.

If you are required to change to a quarterly household employer mid-year, then you must electronically submit a DE 3HW and DE 3BHW to cover the quarters you were an annual household employer. You will also need to submit a DE 9 and DE 9C for the quarters you were a quarterly household employer. In the following years, you will no longer submit a DE 3HW or a DE 3BHW.

For an explanation of the responsibilities of a quarterly household employer, refer to the *Quarterly Household Employers* section of this guide, beginning on [page 25](#).

How to Calculate Taxable Wages

Unemployment Insurance (UI) tax and Employment Training Tax (ETT) are calculated up to the UI taxable wage limit of each employee’s wages per year and are paid by the employer. State Disability Insurance (SDI) tax does not have SDI taxable wage limit beginning January 1, 2024, and is withheld from the employee’s wages.

Note: Examples were created using the 2024 UI taxable wage limit of \$7,000.

Example: An employer has two employees, Jane and John (for illustrative purposes only).

In the first quarter, Jane is paid \$10,000 and John is paid \$6,000. The employer pays UI and ETT on \$7,000 of Jane’s wages and all of John’s wages. The employer will not pay UI and ETT for Jane for the remainder of the year since she has reached the UI taxable wage limit. SDI is withheld from both employees’ total wages.

First Quarter	<u>Taxable Wages</u> <u>UI/ETT</u>	<u>Taxable Wages</u> <u>SDI</u>
Jane	\$ 7,000.00	\$ 10,000.00
John	+ 6,000.00	+ 6,000.00
Total Taxable Wages	\$ 13,000.00	\$ 16,000.00

In the **second quarter**, Jane is paid \$35,000 and John is paid \$500. The employer pays UI and ETT on John’s total wages since the UI taxable wage limit has not been met. The employer withholds SDI from both employees’ total wages.

Second Quarter	<u>Taxable Wages</u> <u>UI/ETT</u>	<u>Taxable Wages</u> <u>SDI</u>
Jane	\$ 00.00	\$ 35,000.00
John	+ 500.00	+ 500.00
Total Taxable Wages	\$ 500.00	\$ 35,500.00

In the **third quarter**, Jane is paid \$35,000 and John is paid \$8,000. The employer pays UI and ETT on \$500 of John’s wages since he has now reached the UI taxable wage limit for the year. The employer withholds SDI from both employees’ total wages.

Third Quarter	<u>Taxable Wages</u> <u>UI/ETT</u>	<u>Taxable Wages</u> <u>SDI</u>
Jane	\$ 00.00	\$ 35,000.00
John	+ 500.00	+ 8,000.00
Total Taxable Wages	\$ 500.00	\$ 43,000.00

In the **fourth quarter**, Jane is paid \$37,000 and John is paid \$15,000. The employer only withholds SDI taxes from both employee’s total wages. No UI or ETT is payable by the employer since both Jane and John have reached the UI taxable wage limit for the year.

Fourth Quarter	<u>Taxable Wages</u> <u>UI/ETT</u>	<u>Taxable Wages</u> <u>SDI</u>
Jane	\$ 00.00	\$ 37,000.00
John	+ 00.00	+ 15,000.00
Total Taxable Wages	\$ 00.00	\$ 52,000.00

How to Compute State Disability Insurance Withholding

The State Disability Insurance (SDI) tax rate for the calendar year 2024, which includes Disability Insurance (DI) and Paid Family Leave (PFL), is available on the inside cover of this guide. The SDI tax is withheld from all cash and noncash wages paid to each employee in 2024. Noncash wages include meals and lodging (refer to *Meals and Lodging Values* on [page 11](#)). Refer to the **Note** below if you do not withhold SDI from your employees' wages.

Once SDI tax is withheld from your employees' wages, a *Payroll Tax Deposit* (DE 88) must be submitted to us at least once each quarter and must be received by the due dates listed in the table on [page 32](#). If you withhold more than \$500 in Personal Income Tax (PIT) from your employees during a quarter, refer to the [California Deposit Requirement table](#) (edd.ca.gov/payroll_taxes/timely_payroll_tax_deposits.htm) or contact the Taxpayer Assistance Center at 1-888-745-3886 to determine when to submit your SDI and PIT payment to the EDD.

Example: Total SDI taxable wages for the quarter are \$13,000 (for illustrative purposes only). Examples were created using the 2024 rates. Refer to the inside cover for the 2024 rates.

SDI Taxable Wages	\$13,000
x <u>SDI Tax Rate</u>	<u>x 0.009</u>
SDI Taxes Due	\$ 117 (Enter this amount in Box C of the DE 88)

Note:

- If, after paying \$750 in cash wages in one or more quarters in a calendar year, and you then begin paying your employee less than \$750 in the following quarters, you must continue withholding SDI taxes from your employees' wages through December of the following year. Once you exceed the threshold on wages, you continue to be subject through the following year.
- If you pay the SDI tax without deducting it from your employees' wages, the amount of SDI you paid is considered an increase in the employees' wages and must be used to calculate Unemployment Insurance (UI), Employment Training Tax (ETT), and SDI withholding. The additional amount must also be included as PIT wages and used to calculate the PIT withholding amount if you and any of your employees have agreed to withhold PIT.
- If you pay Social Security or Medicare taxes without deducting them from your employees' wages, these payments are not considered an increase in the employees' wages for UI, ETT, and SDI but are an increase in PIT wages that must be used to calculate the PIT withholding amount.

Assistance in calculating subject wages and PIT wages under these circumstances is available online. Refer to [Information Sheet: Social Security/Medicare/State Disability Insurance/Federal and State Income Taxes Paid by an Employer \(DE 231Q\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de231q.pdf), or contact the Taxpayer Assistance Center at 1-888-745-3886.

How to Compute Unemployment Insurance Tax and Employment Training Tax

If you paid cash and noncash wages of \$1,000 or more in a calendar quarter to your household employee, in addition to State Disability Insurance (SDI) withholding, you must pay Unemployment Insurance (UI) tax and Employment Training Tax (ETT) at the following rates:

- The UI tax rate for new employers or those newly subject to UI is 3.4 percent (.034). Your tax rate will be provided to you when you register with us or become subject to UI. Your tax rates (UI, ETT, and SDI) are updated once each year. A *Notice of Contribution Rates and Statement of UI Reserve Account* (DE 2088) is mailed to you in December, showing the UI and ETT rates for the upcoming year. For more information, visit [Tax-Rated Employers](http://edd.ca.gov/en/payroll_taxes/tax-rated-employers) (edd.ca.gov/en/payroll_taxes/tax-rated-employers). The UI tax is paid on cash and noncash wages paid to each employee in 2024 up to the UI taxable wage limit of \$7,000. Refer to *Meals and Lodging Values* on [page 11](#).
- The ETT rate is set by law at 0.1 percent (.001) of your UI taxable wages. However, if you have a negative UI reserve account balance on June 30, you will not be required to pay ETT the following calendar year. The annual DE 2088 will show whether your rate is zero or 0.1 percent (.001).

Example: You have two employees and your total UI taxable wages for the quarter are \$12,000 (for illustrative purposes only). The UI tax rate is 3.4 percent (.034). The ETT rate is 0.1 percent (.001). Examples were created using standard starting rates, however your UI rate may differ.

UI Taxable Wages	\$12,000	
x UI Tax Rate	x 0.034	
UI Taxes Due	\$ 408	(Enter this amount for UI deposit)

UI Taxable Wages	\$12,000	
x ETT Rate	x 0.001	
ETT Due	\$ 12	(Enter this amount for ETT deposit)

The UI tax and ETT amounts are paid by the employer and are not withheld from employees' wages.

Note:

If, after paying \$1,000 in cash wages in one or more quarter(s) in a calendar year and then you begin paying your employees less than \$750 in the following quarters, you must continue withholding SDI taxes from your employees' wages and pay Unemployment taxes through December of the following year. Once you exceed the threshold on wages, you continue to be subject through the following year.

Your payroll taxes and a *Payroll Tax Deposit* (DE 88) **must** be submitted electronically to the EDD each quarter.

Note:

- When your DE 9 and DE 9C are electronically submitted to us, the submission date is used to determine if your returns are timely.
- For any quarter that you do not have wages to report, you must file a DE 9 and DE 9C and indicate you have no payroll to report when electronically submitting the forms through e-Services for Business. If you have any questions, contact the Taxpayer Assistance Center at 1-888-745-3886.
- All employers must electronically submit employment tax returns, wage reports, and payroll tax deposits to the EDD. Refer to [page 14](#) for information on the e-file and e-pay mandate for related noncompliance penalties.

Correcting Previously Submitted *Payroll Tax Deposit* (DE 88)

Payroll Tax Deposits can be corrected online through [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices) even if the deposit was made using another electronic payment method or a paper *Payroll Tax Deposit* (DE 88) coupon.

Note:

Employers must electronically submit payroll tax deposits to the EDD. Refer to [page 14](#) for more information.

The following table clarifies when and how to notify us of adjustments to the DE 88 payroll tax deposits.

Type of Adjustment	How to Make Adjustment
Overpaid UI, ETT, SDI, or PIT on a DE 88 prior to filing your <i>Quarterly Contribution Return and Report of Wages</i> (DE 9) for the quarter.	On the next DE 88 for the same calendar quarter, reduce the amount of taxes due by the amount of the overpayment. Do not show credits (negative amounts) on the DE 88. If you cannot reduce the overpayment on your next deposit within the quarter, claim the amount overpaid in the Total Taxes Due or Overpaid field of your DE 9 when you file your return for the quarter.
Underpaid UI, ETT, SDI, or PIT prior to filing your DE 9 for the quarter.	Submit a DE 88 to pay the amount due, including penalty and interest. For current interest rates visit Interest Rate on Overdue Taxes (edd.ca.gov/en/Payroll_Taxes/Interest_Rate). Indicate the payroll date on the DE 88. The penalty amount is 15% of the portion of the payment that is late.
Allocated the wrong amounts to specific funds on a DE 88 prior to filing the DE 9 for the quarter.	Do Not Adjust: We will make the necessary adjustments at the end of the quarter when you file your DE 9.
Underpaid UI, ETT, SDI, or PIT and your DE 9 was previously filed with correct information.	Submit a DE 88 for the additional amount due for the quarter, including any penalty and interest, or pay the balance due when you receive a <i>Statement of Account</i> (DE 2176) in the mail. For current interest rates visit Interest Rate on Overdue Taxes (edd.ca.gov/en/Payroll_Taxes/Interest_Rate). The penalty amount is 15% of the portion of the payment that is late.

Note:

Overwithheld SDI or PIT must be credited or refunded to your employee **before** you can take a credit or receive a refund from us. You should get a receipt from the employee whenever a credit adjustment or refund of overwithheld tax is made.

Refer to [How to Correct Prior Reports, Returns, or Deposits](http://edd.ca.gov/en/payroll_taxes/how_to_correct_prior_reports_or_deposits) (edd.ca.gov/en/payroll_taxes/how_to_correct_prior_reports_or_deposits) or [page 36](#) if adjustments are needed to the DE 9 and/or DE 9C.

Note:

A claim for refund must be filed within 3 years of the last timely date of the quarter being adjusted, or within 6 months after an assessment becomes final, or within 60 days from the date of the overpayment, whichever date occurs later.

No Longer Paying Wages

If you stop employing people to work in your home and do not intend to hire anyone in the future, you will need to:

- Submit your final *Quarterly Contribution Return and Report of Wages* (DE 9) **within 10 days of paying the final wages**, regardless of the normal due date.
- Submit the *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C) **within 10 days of paying the final wages**, regardless of the normal due date.
- Submit the *Payroll Tax Deposit* (DE 88) **within 10 days of paying the final wages**, regardless of the normal due date.
- Close your employer payroll tax account after submitting the above **within 10 days of paying the final wages**.

If you plan to employ people to work in your home in the future and are keeping your account open, but do not have payroll this quarter, file a DE 9 and DE 9C online using e-Services for Business indicating you do not have payroll to report. If you have an approved e-file and e-pay mandate waiver and file by paper, select *No Wages Paid This Quarter* on the DE 9 and *No Payroll* on the DE 9C. These reports must be filed even if no wages were paid in the quarter. Contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

Household employers may close their employer payroll tax account online using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices). If you resume paying wages in excess of \$750 in a calendar quarter, you may also request to reopen your employer payroll tax account.

Reporting New Employees

The law requires all employers to report all newly hired or rehired employees to the New Employee Registry (NER) within 20 days of their start-of-work date, which is the first day services were performed for wages.

- **Newly Hired** employees are those individuals who have not previously been included on your payroll.
- **Rehired** employees are those individuals who were previously included on your payroll, left your employment, and were rehired after a separation of at least 60 consecutive days.

The NER assists California’s Department of Child Support Services and the Department of Justice in locating parents to collect delinquent child support payments. The NER also cross-matches the employees actual start-of-work date (not the date hired) data with the Unemployment Insurance (UI) benefit file. This will result in the early detection and prevention of UI benefit overpayments.

Filing Options for Reporting New or Rehired Employees

The following options are available to report new or rehired employees:

1. File online using [e-Services for Business](http://edd.ca.gov/eServices) (edd.ca.gov/eServices). It’s fast, easy, and secure.
2. Download the [Report of New Employee\(s\) \(DE 34\) \(PDF\)](http://edd.ca.gov/pdf_pub_ctr/de34.pdf) (edd.ca.gov/pdf_pub_ctr/de34.pdf).
3. Order DE 34 [forms](http://edd.ca.gov/forms) (edd.ca.gov/forms).

When Due: You must report all newly hired employees (refer to *Who Are Household Employees?* on [page 4](#)) **within 20 days** of the start-of-work date, which is the first day of work. Any employee that is rehired or returns to work after a separation of at least 60 consecutive days must also be reported within the 20 days.

The following information must be included when reporting new employees:

Employer Information	Employee Information
<ul style="list-style-type: none"> • EDD eight-digit employer payroll tax account number • Federal employer identification number (FEIN) • Employer name • Employer address • Contact person and phone number 	<ul style="list-style-type: none"> • First name, middle initial, and last name • Social Security number (SSN) • Home address • Start-of-work date

A sample DE 34 is available on [page 41](#).

Filing an Informal Report

If you are not able to obtain a DE 34 by the due date, file an informal report or a copy of the [Employee’s Withholding Allowance Certificate \(DE4\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de4.pdf) to avoid penalty and interest charges. Your informal report should include all the information listed in the above table.

Mail or fax your new employee information to:

Fax: 1-916-319-4400**

Note:

If the people who work in your home are independent contractors, you do not need to report them to us (refer to *Who Is Considered a Household Employee?* on [page 4](#)). The requirement for businesses and government entities to report independent contractors does not apply to household employers.

Note:

- If Box 19 has local taxes, use Box 14, Other. If **no** boxes are available, you must provide your employees with a separate written statement containing:
 - Name of household employer, address, federal employer identification number (FEIN), and the EDD eight-digit employer payroll tax account numbers.
 - The employee’s name, address, and Social Security number.
 - The amount of SDI withheld and paid directly by you.
- If the wages were **not** subject to SDI, show CASDI 0 (zero).
- If you paid SDI taxes **without** withholding the SDI from the employee’s wages, you should show the SDI taxes as if they were withheld and increase the amount you report according to the formula shown on the [Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer \(DE 231Q\) \(PDF\)](#) (edd.ca.gov/pdf_pub_ctr/de231q.pdf).

Generally, the amount reported as California PIT wages on Form W-2 in Box 16 is the same as the federal wages (Box 1).

If you discover an error on a previously issued Form W-2, refer to the IRS publication 2024 General Instructions for Forms W-2 and W-3 for instructions on how to complete an IRS Corrected Wage and Tax Statement Form W-2C.

Send Forms W-2 and Forms W-2C to your employees and the Social Security Administration. **Do not** send the *state* copies of Forms W-2 and Forms W-2C to the State of California (the EDD or the Franchise Tax Board).

* Employers failing to provide a Form W-2 to each employee, or who provide a false or fraudulent statement, are subject to a penalty of \$50 for each such failure as imposed pursuant to section 13052 of the California Unemployment Insurance Code (CUIC). Employers may also be subject to an additional penalty for failure to file informational returns (Form W-2, Form 1099-MISC, or Form 1099-NEC) for misclassified employees as provided pursuant to section 13052.5 of the CUIC. The amount of the penalty is determined based upon the unreported payment for personal services multiplied by the maximum rate as provided pursuant to section 17041 of the Revenue and Taxation Code. Contact the EDD Taxpayer Assistance Center at 1-888-745-3886 for additional information.

Earned Income Tax Credit Information Act

You may be eligible to receive the California Earned Income Tax Credit (CalEITC) starting with the calendar year 2015 tax year. The CalEITC is a refundable state income tax credit for low-income working individuals and families. The CalEITC is treated in the same manner as the federal Earned Income Tax Credit (EITC) and generally will not be used to determine eligibility for welfare benefits under California law. To claim the CalEITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the form *California Earned Income Tax Credit* (Form 3514). For information on the availability of the credit, eligibility requirements, how to obtain the necessary California forms, and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or visit [CalEITC](http://ftb.ca.gov/file/personal/credits/california-earned-income-tax-credit.html) (ftb.ca.gov/file/personal/credits/california-earned-income-tax-credit.html).

All employers must notify all of their employees of the federal EITC. Employers who are subject to and required to provide Unemployment Insurance to their employees must provide EITC notification to the employee by either handing it directly to the employee, mailing it to the employee's last known address, or providing it via email if an employee opts into receipt of electronic statements or materials. Posting of this information on an employee bulletin board **will not** satisfy the notification requirement.

The notification must be provided at the same time or within one week, before or after, the employer provides the employee with an annual wage summary, including, but not limited to, a Form W-2 or a Form 1099. The notice must include instructions on how to get any notices available from the Internal Revenue Service (IRS) for this purpose, including, but not limited to, the IRS Notice 797, **or** any successor notice or form, or any notice created by you, as long as it contains substantially the same language as the notice below.

“Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the federal government. The Earned Income Tax Credit is a refundable federal income tax credit for low-income working individuals and families. The Earned Income Tax Credit has no effect on certain welfare benefits. In most cases, Earned Income Tax Credit payments will not be used to determine eligibility for Medicaid, supplemental security income, food stamps, low-income housing, or most temporary assistance for needy families’ payments. Even if you do not owe federal taxes, you must file a tax return to receive the Earned Income Tax Credit. Be sure to fill out the Earned Income Tax Credit form in the federal income tax return booklet. For information regarding your eligibility to receive the Earned Income Tax Credit, including information on how to obtain the IRS Notice 797, or any other necessary forms and instructions, visit the [IRS](http://irs.gov) (irs.gov) or contact the IRS at 1-800-829-3676.”

What Payroll Records Must Be Kept?

Employers are required to keep payroll records for at least four years. If you believe that you are **not** a subject employer or your employees are exempt, state law requires that you maintain records of payments made to people who provide household services for at least eight years in case of an employment tax audit.

Your records must provide a true and accurate account of all workers (employed, no longer employed, or on a leave of absence, and independent contractors) and all payments made. Records must include the following information for each worker:

- Full name (first name, middle initial, and last name).
- Social Security number.
- Date hired, rehired, or returned to work after a temporary layoff.
- Last date services were performed.
- Place of work.
- Money paid:
 - Dates and amounts of payment.
 - Pay period covered.
 - Cash or cash value of in-kind wages (such as meals, lodging, bonuses, and gifts).
(Refer to *Meals and Lodging Values* on [page 11](#).)
- The amounts withheld from employee wages. (Note: You may be required to make withholding deposits. Refer to *Withholding Deposits* on [page 32](#).)
- Disbursement records showing payments to workers.
- Other information necessary to determine payments to workers.

You may use any payroll record that provides the information listed above. An Employee Earnings Record sample is provided on [page 45](#).

If you have any questions about the records you must keep, refer to [Information Sheet: Employment Tax Audit Process \(DE 231TA \(PDF\)\)](#) (edd.ca.gov/pdf_pub_ctr/de231ta.pdf) or contact the Taxpayer Assistance Center at 1-888-745-3886.

Your Reserve Account

Once you pay \$1,000 or more in cash wages to household employees during a calendar quarter, you are required to pay Unemployment Insurance (UI) tax and Employment Training Tax (ETT) on each employee's wages up to the UI taxable wage limit each calendar year. Your UI reserve account is a record of the UI taxes you have paid (credits) and the UI benefits that we have paid (charges) to your former employees who were found eligible to receive UI benefits or who qualified for reduced UI benefits when working less than full-time for you. Your UI reserve account is a *paper* account for recordkeeping purposes and has no cash value. The difference between the credits and charges is the reserve account balance, which may be positive or negative. Your account balance is used only to determine your annual UI tax rate. If you have a negative UI reserve account balance as of June 30, you will not be required to pay ETT for the following calendar year.

Notices

When your former employee (claimant) applies for UI benefits, the last employer reported by the claimant will receive a **Notice of Unemployment Insurance Claim Filed (DE 1101CZ or DE 1101ER)**. Only the last employer of record will receive this notice to advise them that the claimant has filed a UI claim, and it includes the reason the claimant stated for no longer working.

If you have any information that would affect the claimant's eligibility for UI benefits, complete the form and return it to us within 10 days of the date the notice was mailed to you. If you believe that your UI reserve account should not be charged for the benefits, it is important that you provide information by the required deadline explaining why the claimant was terminated or the reasons the claimant gave for voluntarily quitting. The DE 1101CZ and DE 1101ER include instructions that explain how to complete the forms. Your information is needed to gather relevant facts that will assist us in determining if the claimant is eligible to receive UI benefits. **Failure to respond timely may result in an increase to your UI tax rate.**

For added convenience, employers and third-party administrators can elect to electronically receive and respond to the DE 1101CZ through the State Information Data Exchange System (SIDES). Visit [SIDES](http://edd.ca.gov/Unemployment/SIDES.htm) (edd.ca.gov/Unemployment/SIDES.htm) to learn more.

If you respond to the notice within the legally required 10 days of the notice date and provide information about why you think the claimant should not be eligible for UI benefits, we will send you a **Notice of Determination and/or Ruling (DE 1080EZ)**. The DE 1080EZ advises you whether or not the claimant is eligible for UI benefits and if your UI reserve account will be charged for UI benefits if the claimant is found eligible based on the reason for separation from your employment. If you fail to respond to the DE 1101CZ or DE 1101ER, or respond untimely, you are not entitled to a determination or a ruling. However, if you respond untimely and provide the reason you are submitting the eligibility information untimely, we will determine if you had *good cause* for not submitting your response timely. If there is a finding of *good cause*, you will be entitled to a determination or ruling. Also, if you respond untimely with eligibility information, we will conduct a determination of eligibility for UI benefits with the claimant regardless of whether you are entitled to a notice of determination or a ruling.

If we find that a claimant is eligible to receive UI benefits, a **Notice of Wages Used for Unemployment Insurance (UI) Claim (DE 1545)** is mailed to all base period employers after the first benefit payment is sent to the claimant. If you are a base period employer, you will receive a DE 1545. The DE 1545 will inform you of the wages used to establish the UI claim and the amount of potential charges to your UI reserve account. All or part of the benefits paid to the claimant may be charged to your UI reserve account.

If you believe that your UI reserve account should not be charged for the benefits, it is important that you complete the form and return it by the required deadline to us as indicated on the form. The DE 1545 includes instructions on how to complete the form. You will need to explain why your account should not be charged for the UI benefits. If you previously responded to a DE 1101CZ or DE 1101ER for the same employee concerning the same separation or other issue, you do not need to return the DE 1545.

However, if you have new information that may affect the claimant’s eligibility for Unemployment Insurance (UI) benefits, then you must report the new information to us. Please complete the DE 1545 timely by returning it within 15 calendar days from the mail date of the notice. If the wage information is incorrect, you must provide documentation to support the correction, such as a copy of the *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C) or *Quarterly Contribution and Wage Adjustment Form* (DE 9ADJ) within 30 days from the mail date of the notice.

When a claimant is approved for California Training Benefits (CTB), a **Notice of Potential Increased Liability for Training Extension Benefits (DE 1545TE)** is mailed to all base period employers. This notice will inform you of the maximum amount of potential benefits payable, including training extension benefits and the amount of potential charges to your UI reserve account. If you believe that your UI reserve account should not be charged for the training benefits, your protest must be mailed by the date indicated on the form. The response should provide information explaining why the claimant should not be eligible for CTB under the California Unemployment Insurance Code section cited. If the DE 1545TE indicates that you previously received a favorable ruling, your account will not be charged and no response will be necessary.

To maintain the integrity of the UI program, we investigate cases of potential imposter fraud and identity theft. As part of our investigation, you may receive a **Request for Additional Information (DE 1326ER)** asking you to validate information provided to us by an individual who has filed a claim for UI benefits. The DE 1326ER is mailed to the last employer and base period employers to request additional identifying information to validate the identity of the individual. Your prompt response to the DE 1326ER will protect your employer payroll tax account from charges if the determination of eligibility results in a disqualification, and it will assist us in maintaining the integrity of the UI Fund.

You can find additional information on protecting your employer payroll tax account from fraudulent UI claims, protecting your employees, and fighting imposter fraud by visiting [Identity Theft Prevention](http://edd.ca.gov/unemployment/fraud_prevention.htm) (edd.ca.gov/unemployment/fraud_prevention.htm).

Note: You should keep copies of all your responses to our notices for your records.

Notices of Determination, Ruling, or Modification

You will receive a notice from the EDD in response to the timely information reported regarding a claimant’s eligibility for UI benefits on the DE 1101CZ, DE 1101ER, DE 1545, or DE 1545TE. Depending on the specific circumstances involved, you will receive one of the following notices:

Notice	Purpose
DE 1080EZ: <ul style="list-style-type: none"> • Notice of Determination 	Sent to an employer who responds timely to a DE 1101CZ, DE 1101ER, DE 1545, or DE 1545TE or who submits timely correspondence with claimant eligibility information other than information regarding a voluntary quit or discharge.
<ul style="list-style-type: none"> • Notice of Determination/ Ruling 	Sent to an employer who responds timely to a DE 1101CZ or DE 1101ER with information regarding a voluntary quit or discharge. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.
<ul style="list-style-type: none"> • Notice of Ruling 	Sent to an employer who responds timely to a DE 1545 with information regarding separation(s) that occurred within the base period. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.
DE 1080M: <ul style="list-style-type: none"> • Notice of Modification 	Sent to an employer who previously received a DE 1080EZ stating that the claimant was disqualified from receiving UI benefits. The purpose of this form is to inform the employer that the claimant’s disqualification period has ended and the claimant has met the criteria required to receive UI benefits. This notice does not change the original ruling issued to the employer.

Appeal Rights

You have the right to file an appeal if you do not agree with our determination about:

- A former employee's eligibility to receive UI benefits.
- Charges made to your UI reserve account due to paid UI benefits.

You must send your written appeal to the EDD within 30 days of the mail date of the *Notice of Determination and/or Ruling* (DE 1080EZ). We will send you an acknowledgement of receipt and registration of your appeal with the phone number for the Office of Appeals hearing the case. The Office of Appeals will schedule a hearing with an Administrative Law Judge (ALJ). Both you and your former employee will be notified of the date, time, and place of the hearing at least 10 days before the hearing date. If you are filing an appeal to a *Notice of Ruling* (DE 1080EZ), the employee is not considered a party to the proceeding and is not notified of the hearing. The ALJ will conduct a hearing and give all interested parties the opportunity to present their evidence. The ALJ will consider the facts presented at the hearing and issue a written decision that is mailed to all concerned parties.

If you do not agree with the ALJ's decision, you may appeal to the California Unemployment Insurance Appeals Board (CUIAB). The CUIAB reviews appeals to decisions rendered by the ALJ. Both the CUIAB and the ALJs operate impartially and independently from us.

The CUIAB provides the following publications to assist in filing an appeal and preparing for an administrative hearing:

- *Appeals Procedure* (DE 1433)
- *Office of Appeals Tax Hearing Information* (DE 6412TF)

For copies of these publications, visit the [State of California Unemployment Insurance Appeals Board](http://cuiab.ca.gov) (cuiab.ca.gov) or write to:

State Disability Insurance

The State Disability Insurance (SDI) program provides Disability Insurance (DI) and Paid Family Leave (PFL) benefits to eligible California workers who need time off work due to a disability or family leave. The SDI program is state mandated and funded by employee payroll deductions.

Disability Insurance

DI is a component of the SDI program. DI provides partial wage replacement benefits to eligible California workers who have a loss of wages when they are unable to work due to a non-work-related illness, injury, or pregnancy.

Paid Family Leave

PFL is a component of the SDI program. PFL provides benefits to California workers who take time off work to care for a seriously ill child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner. Benefits are available to new parents who need time off work to bond with a new child through birth, adoption, or foster care placement. Benefits are also available to eligible workers who take time off work to participate in a qualifying event resulting from a spouse, registered domestic partner, parent, or child's military deployment to a foreign country.

Employer Claim Notices

When a DI claim is filed, the employers reported on the DI claim form will receive a *Notice to Employer of Disability Insurance Claim Filed* (DE 2503). When a PFL claim is filed, the employer will receive a *Notice of Paid Family Leave (PFL) Claim Filed* (DE 2503F). You are required to complete and return the DE 2503 or DE 2503F **within two working days**. You may also submit the DE 2503 electronically through [SDI Online](http://edd.ca.gov/disability/SDI_Online.htm) (edd.ca.gov/disability/SDI_Online.htm).

Your Unemployment Insurance reserve account will not be affected when your employees file DI or PFL claims. You will not be notified of employee eligibility for DI and PFL benefits because employees pay for DI and PFL through payroll deductions.

SDI Online

SDI Online is an electronic claim filing system for submission of DI and PFL claim information. It's available to employers, individuals filing for benefits, licensed health professionals, Voluntary Plan employers and third-party administrators. Employers can securely submit employee information for example wages earned, last day worked, etc. for DI claims online.

If you have questions about DI, visit [State Disability Insurance](http://edd.ca.gov/disability) (edd.ca.gov/disability) or contact DI at 1-800-480-3287. If you have questions about PFL, visit [Paid Family Leave](http://edd.ca.gov/disability/paid_family_leave.htm) (edd.ca.gov/disability/paid_family_leave.htm) or contact PFL at 1-877-238-4373.

Help Us Fight Fraud

The underground economy is a term that refers to those individuals and businesses that deal in cash or use other schemes to conceal their activities and their true tax liability from government licensing, regulatory, and taxing agencies. Underground economy is also referred to as tax evasion, tax fraud, cash pay, tax gap, payments under-the-table, and off-the-books. When businesses operate in the underground economy, they gain an unfair competitive advantage over businesses that comply with the law because they do not pay workers' compensation insurance, state, and federal payroll taxes. This causes unfair competition in the marketplace and forces law-abiding businesses to pay higher taxes. To address this, we partner with several other governmental entities, follows up on leads and conducts on-site inspections of businesses throughout the state. To learn more about the Underground Economy Operation (UEO) programs, visit [Underground Economy Operations](https://edd.ca.gov/payroll_taxes/underground_economy_operations.htm) (edd.ca.gov/payroll_taxes/underground_economy_operations.htm).

As an employer, you have the right to:

- Courteous and timely service from EDD employees.

However, in certain instances, the law requires that this information be shared with other governmental agencies. When those instances occur, the EDD closely follows the law to protect your rights to confidentiality.

Account Number	The Employment Development Department (EDD) eight-digit employer payroll tax account number assigned to each registered employer (for example, 000-0000-0). Always refer to your employer payroll tax account number when communicating with us. Omission of your employer payroll tax account number may result in delays in processing payments, reporting documents, and correspondence.
Annual Household Employer	An employer who pays \$20,000 or less in wages in a calendar year and has elected to pay taxes annually. The employer submits an <i>Employer of Household Worker(s) Quarterly Report of Wages and Withholding</i> (DE 3BHW) to us quarterly and an <i>Employer of Household Worker(s) Annual Payroll Tax Return</i> (DE 3HW) with payment annually.
Base Period	The base period consists of four calendar quarters of three months each. When a base period begins and which calendar quarters are used, depends on what date the claim begins and whether the claim is for Unemployment Insurance (UI) or for State Disability Insurance (SDI). For UI, there are two types of base periods: the Standard Base Period (see <i>Base Period, Standard [UI]</i> below) and Alternate Base Period (see <i>Base Period, Alternate [UI]</i> below). The Alternate Base Period can only be used to file a UI claim when there are not enough wages earned in the Standard Base Period to file a monetarily valid UI claim. For SDI, a base period covers 12 months and is divided into 4 consecutive quarters. The base period includes wages subject to SDI tax which were paid approximately 5 to 18 months before the claim start date.
Base Period, Alternate (UI)	The UI Alternate Base Period is the last four completed calendar quarters prior to the beginning date of the claim. The Alternate Base Period can only be used if an individual cannot monetarily establish a valid UI claim using the Standard Base Period.
Base Period Employer	Employers who paid the earnings used to establish a UI claim and calculate a benefit amount.
Base Period, Standard (UI)	The UI Standard Base Period is the first four of the last five completed calendar quarters prior to the beginning date of the claim.

Claim	<p>An application for Unemployment Insurance (UI), Disability Insurance (DI), or Paid Family Leave (PFL) benefits:</p> <ul style="list-style-type: none"> • UI – The process that establishes a UI benefit year is called a new claim. The bi-weekly <i>Continued Claim</i> (DE 4581) is used by claimants to certify for UI benefits during the benefit year. The EDD has three methods that unemployed individuals may use to certify for UI benefits. Claimants can complete and submit a paper DE 4581 by mail, use EDD Tele-CertSM to certify for benefits using the phone, or certify electronically through UI OnlineSM. After establishing a benefit year, a claimant may interrupt his or her claim for a variety of reasons. For example, the claimant could receive a disqualification, obtain intervening employment, or fail to continue to certify for benefits. The claimant may request to reopen an existing claim with a claim balance by filing an additional or reopened claim during the benefit year. • DI – The application that establishes a DI benefit period is called an initial claim. Subsequent certifications on an active DI claim are called continued claims. For each separate period of disability, a new initial claim must be filed. • PFL – The application that establishes a PFL benefit period is called an initial claim. Subsequent certifications on that claim are called continued claims. For each separate period of family leave, a new initial claim must be filed.
