

CANCELLATION OF CALIFORNIA WORKFORCE PRACTITIONER'S TRAINING AND EDUCATION CONFERENCE

To protect public health and slow the rate of transmission of COVID-19, the Employment Development Department (EDD) has cancelled the California Workforce Practitioner's Training and Education Conference (CA WorkTEC). This decision was made in accordance with the California Department of Public Health's (CDPH) March 11, 2020 [Gatherings Guidance on Novel Coronavirus or COVID-19](#).

While no future dates are reserved, our hope is to reschedule CA WorkTEC for later this year. In addition, the Workforce Services Branch Statewide Training Unit will review the topics that were scheduled to be presented during WorkTEC to determine if any of the presentations can be delivered virtually. We will notify the workforce community as information becomes available.
