INSTRUCTIONS FOR BENEFIT AUDIT

PURPOSE

The benefit audit process is a joint effort by employers and the Employment Development Department (EDD) to protect the integrity of the Unemployment Insurance (UI) Fund and to detect potential fraud. You previously provided the EDD with earnings data regarding this employee on the Quarterly Contribution Return and Report of Wages (DE 9C). However, at this time the EDD needs more detailed information for the weeks indicated on the Benefit Audit. The Benefit Audit does not mean the employee acted improperly. With the cooperation of the employer community, the benefit audit process leads to the successful detection of benefit overpayments and the reversal of related charges to the employer’s reserve or reimbursable account.

INFORMATION

Requirements: Please return ALL completed benefit audits within 10 days of receipt (unless the person had NO earnings for ALL the weeks listed on the audit) or obtain approval for an extension as required by Section 1085-4, Title 22 of the California Code of Regulations. It is a violation of Section 2106 of the California Unemployment Insurance Code to willfully neglect to provide this information.

Employer Liability: This Benefit Audit does not mean that a claim has been filed that affects your account. Your response does not entitle you to a determination or ruling.
