SPECIALIZED COVERAGE (ELECTIVE COVERAGE FOR EXEMPT WORKERS)

Under provisions in the California Unemployment Insurance Code (CUIC) (leginfo.legislature.ca.gov/faces/codes), employers may elect Unemployment Insurance (UI) and/or State Disability Insurance* (SDI) coverage for their exempt employees. The Employment Development Department (EDD) refers to these elections as Specialized Coverage.

Specialized Coverage requirements are:

• Requests must be in writing, filed with and approved by the EDD.

• The election must remain in effect for at least two complete calendar years unless the election is for a minor child. Elective coverage for a child terminates on the child's 18th birthday, when the child is mandatorily subject to both UI and SDI.

• Specialized coverage termination requests must be in writing and filed with the EDD during the month of January. Termination will come into effect on January 1 of the same year only if two complete calendar years have passed since the effective date of the election.

Requests postmarked after January 31 will be denied unless "good cause" for the late filing is evident.

Elections for coverage will be denied if any of the following conditions exist:

• The intent is to discontinue the business within two calendar years.

• The regular trade, business, or occupation of the employing unit is seasonal in its operations (this does not apply to public entities).

• The employing unit has failed to file a return or pay contributions within the time required by the CUIC leading to unpaid contributions owed.

• The entity, officer, agent, or person having charge of the affairs of the employing unit has been convicted within two years of violations specified in Chapter 10 (commencing with section 2101) of the CUIC.
