The following conditions must be met at the time of re-employment. Appropriate verification must be included with this application:

1. Be at least age 50 at time of re-employment (verify with copy of drivers license or other official documentation);
2. Re-employment within 26 weeks of qualifying separation (verify with a copy of the job offer letter or a check stub);
3. Annual earnings from re-employment are not expected to exceed more than \$50,000. (If a paycheck has not been issued at the time of application, then submit a supporting statement from the employer, in a company letterhead, indicating that annual wages are not expected to exceed \$50,000.);
4. Re-employed full-time (verified by pay stub, supporting letter from employer, or other appropriate documentation);
5. Re-employment is new work, the worker cannot return to work from which the worker was separated.
