California Personal Income Tax (PIT) Withholding

However, if you agree to withhold PIT for any of your household employees, PIT withholding is based on the amount of wages paid, the number of withholding allowances claimed by the employee, and the payroll period. The California PIT withholding schedules are online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm#withholding.

For additional rate information, refer to [pages 11 and 12](#), or visit www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm.

WHO IS A HOUSEHOLD EMPLOYER?

You may be considered a household employer if you hire someone to work in or around your home and the worker is your employee. The worker is your employee if you can control not only what work is done, but how it is done. Refer to [page 4](#) for additional information.

Household employment may occur in a variety of settings, such as a:

- Private home
- Summer or winter home
- Local chapter of a college fraternity or sorority
- Apartment
- Condominium
- Hotel room (when the worker is employed by you, not the hotel)
- Boat or mobile home
- Local college club

Private homes include fixed places of residence, apartments, and hotel rooms in which an individual or family reside. Private homes do not include premises used primarily as a business enterprise, such as a residential care home, boarding house, hotel, hospital, etc., unless the workers are employed by the resident of such a facility and not by the business.

Refer to *Information Sheet: Household Employment* (DE 231L) for additional information about household employment. The DE 231L is available online at www.edd.ca.gov/pdf_pub_ctr/de231l.pdf.

You may contact the Taxpayer Assistance Center at 888-745-3886 to obtain the DE 231L or for assistance in determining whether the people who work for you are independent contractors or household employees.

For the latest news and helpful information,
refer to the online quarterly **California Employer Newsletter** at
www.edd.ca.gov/payroll_taxes/california_employer_newsletter.htm.

WHO ARE HOUSEHOLD EMPLOYEES?

You have a household employee if you hired someone to do household work and that worker is your employee. The worker is your employee if you control not only what work is done, but how it is done. If the worker is your employee, it does not matter whether the work is temporary, full-time, or part-time, or that you hired the worker through an agency.

The worker is self-employed, and not your employee, if only the worker can control how the work is done. A self-employed worker usually provides his or her own tools and offers services to the general public in an independent business.

Refer to the table below for a list of workers who are or are not considered household employees. This list is not intended to be a complete list of household employees.

These Are Household Employees ¹	These Are Not Household Employees

<p>Family Employment – Spouses, parents, minor children (under 18 years old), and registered domestic partners are not considered employees for payroll tax reporting purposes. However, if both the employer and exempt family member agree, they can voluntarily elect to withhold, report, and pay State Disability Insurance and/or Personal Income Tax. For additional information, refer to <i>Information Sheet: Family Employment</i> (DE 231FAM) and <i>Information Sheet: Specialized Coverage (Elective Coverage for Exempt Workers)</i> (DE 231SC) available online at www.edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm.</p>

² Unless employed by a catering service.

³ Unless employed by a gardening service.

⁴ Unless employed by a pool maintenance service.

⁵ As long as the requirements of Section 606.5 of the California Unemployment Insurance Code (CUIC) are met.

The *Information Sheet: Household Employment* (DE 231L) is available online at www.edd.ca.gov/pdf_pub_ctr/de231l.pdf. You may also contact the Taxpayer Assistance Center at 888-745-3886 to obtain a DE 231L or for assistance in determining whether the people who work for you are independent contractors or household employees.

WHEN SHOULD YOU REGISTER AS AN EMPLOYER?

You must register with the Employment Development Department (EDD) within 15 days after you have paid \$750 or more in total cash wages in a calendar quarter to one or more people who work as your household employee. Refer to [page 4](#) for additional information about who is considered a household employee.

Cash wages include payment for services by check and cash. Do not include noncash wages, such as meals and lodging, when calculating whether you have reached \$750 in cash wages. Refer to “What Are Wages?” on [page 9](#) for a complete definition of cash and noncash wages.

Once you meet the \$750 in cash wage limit, you must also include all cash and noncash payments as subject wages. The amount of subject wages you pay in a calendar quarter will determine the employer payroll taxes you are required to withhold and pay.

If You Pay (in a Quarter)	Then
\$750 to \$999.99	Withhold State Disability Insurance (SDI) for the remainder of the current year and through the following year, even if wages fall below \$750 in a quarter.
\$1,000 or more	Withhold SDI and pay Unemployment Insurance (UI) and Employment Training Tax (ETT) for the remainder of the current year and through the following year, even if wages fall below \$1,000 in a quarter.

The following examples will help you decide when you must register with the EDD, begin reporting employee wages and withholdings, and pay employer payroll taxes:

Cash Wages	Meals and Lodging	Am I Required to Register?
\$700	\$149	You are not required to register, report employee wages, or withhold/pay any California payroll taxes because the cash wage limit of \$750 in a quarter has not been met (the value of meals and lodging is not included in reaching the \$750 cash wage limit).
\$750	\$75	You must register, report employee wages, and withhold SDI on the entire \$825. You are not required to pay UI and ETT because the cash wage limit of \$1,000 in a quarter has not been met.
\$900	\$150	You must register, report employee wages, and withhold SDI on the entire \$1,050. You are not required to pay UI and ETT because the cash wage limit of \$1,000 in a quarter has not been met (the value of meals and lodging is not included in reaching the \$1,000 cash wage limit).
\$1,000	\$100	You must register, report employee wages, pay UI and ETT, and withhold SDI on the entire \$1,100 because you have met the \$1,000 cash wage limit in a quarter .

You **are** required to report employee wages that are subject to California Personal Income Tax (PIT), but you **are not** required to withhold PIT unless you and your employee(s) agree that you will do so. Refer to [page 9](#) for information regarding PIT wages and [page 12](#) for information on PIT withholding.

HOW TO REGISTER AS AN EMPLOYER

You must register with the EDD as a household employer for California payroll tax purposes when you have paid cash wages totaling \$750 or more in one calendar quarter to one or more people who work as your household employee.

There are two types of household employers: Annual and Quarterly. Household employers who pay \$20,000 or less in cash and noncash wages in one calendar year may elect to register as an Annual household employer. Household employers who pay more than \$20,000 in cash and noncash wages will be registered as Quarterly household employers. Refer to [page 14](#) for filing requirements for each type of household employer to assist in determining whether you should register as Annual or Quarterly.

SDI includes Disability Insurance (DI) and Paid Family Leave (PFL). This notice must be posted in a prominent location that is easily seen by your employees. You will receive one of the following notices if you are subject to:

- *Notice to Employees* (DE 35) informs employees that their employer is required to send copies of the *Employee's Withholding Allowance Certificate* (Form W-4 [federal] or DE 4 [state]) to the Franchise Tax Board (FTB) if the certificate meets certain conditions. Refer to "Marital Status, Withholding Allowances, and Exemptions (Form W-4 and DE 4)" in the California Personal Income Tax Withholding section of the *California Employer's Guide* (DE 44) for further information. The DE 44 is available online at www.edd.ca.gov/pdf_pub_ctr/de44.pdf.

O. PAYROLL TAX EDUCATION

Attend a payroll tax seminar that will help you understand how, what, and when to report State payroll taxes. Visit our Web site at www.edd.ca.gov/payroll_tax_seminars/ or call us at (888) 745-3886 for more information.

WHAT ARE WAGES?

Wages are all payments made to employees for personal services, whether paid by check, cash, or the reasonable cash value of noncash payments, such as meals and lodging. The method of payment and the frequency of the work do not change the taxability of wages paid to employees. Whether the employment is full-time, part-time, casual, or temporary, the wages paid to employees are still subject for payroll tax purposes. In addition, how employees are paid does not change the employer's responsibility for payroll taxes.

If you pay your employees' share of Social Security, Medicare, and/or State Disability Insurance (SDI) without deducting the amounts from their wages, these payments may also be wages. The *Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer* (DE 231Q) is available online at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf, or contact the Taxpayer Assistance Center at 888-745-3886.

What Are "Subject Wages?"

Generally, all wages are considered subject wages and are used to determine the amount of Unemployment Insurance (UI), Disability Insurance (DI), and Paid Family Leave (PFL) benefits a claimant should receive. Subject wages are the full amount of wages paid to an employee, regardless of the UI and SDI taxable wage limits. Refer to the inside cover for the 2016 taxable wage limits.

What Are Personal Income Tax (PIT) Wages?

Personal Income Tax (PIT) wages are cash and noncash payments subject to state income tax. (Wages that must be reported on an individual's California income tax return are PIT wages.) Most payments for household employees' services should be reported as PIT wages.

An employee's calendar year total for PIT wages should agree with the amount reported on the employee's federal *Wage and Tax Statement* (Form W-2) in Box 16 (state wages, tips, etc.). Household employers are not required to withhold PIT; however, they are required to report PIT wages for each household employee.

For additional information about PIT wages, refer to [page 12](#).

Are Subject Wages and PIT Wages the Same?

In most situations, subject wages and PIT wages are the same. However, subject wages and PIT wages are reported separately on your EDD quarterly wage report.

For additional information:

- Annual household employers: Refer to the *Information Sheet: Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers* (DE 3BHW) (DE 231PH).
- Quarterly household employers: Refer to the *Information Sheet: Personal Income Tax Wages Reported on the Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C) (DE 231PIT).

These forms are available online at www.edd.ca.gov/payroll_taxes/forms_and_publications.htm or contact the Taxpayer Assistance Center at 888-745-3886 for assistance.

Values of Meals and Lodging

Meals and lodging provided to employees are wages. If your employees are covered under a contract of employment or union agreement, the taxable value of meals and lodging should not be less than the estimated value stated in that document. If the cash value is not stated in an employment contract or union agreement, please use the tables and information below to determine the value of the meals and/or lodging you provide to your employees. If you withhold Personal Income Tax (PIT) from your employees' wages, please refer to [page 12](#).

Value of Meals					
Year	3 Meals per Day	Breakfast	Lunch	Dinner	Meal Not Identified
2016	\$ 11.40	\$ 2.35	\$ 3.50	\$ 5.55	\$ 4.10
2015	\$ 11.05	\$ 2.25	\$ 3.40	\$ 5.40	\$ 3.95

To calculate the value of lodging, multiply the amount you could rent the property for (ordinary rental value) by 66 2/3 percent (0.6667). Ordinary rental value may be calculated on a monthly or weekly basis. The table below shows the minimum and maximum amounts to report for lodging.

Value of Lodging		
Year	Minimum per Week	Maximum per Month
2016	\$ 43.20	\$ 1,332
2015	\$ 41.75	\$ 1,287

For additional information, refer to *Information Sheet: Household Employment* (DE 231L), available online at www.edd.ca.gov/pdf_pub_ctr/de231l.pdf, or contact the Taxpayer Assistance Center at 888-745-3886 for assistance. Current and historical meals and lodging information is available online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm.

Payroll Tax	Who Pays	Taxable Wages	Tax Rate	Maximum Tax
Unemployment Insurance (UI) For more information, refer to <i>Information Sheet: California System of Experience Rating</i> (DE 231Z) available online at www.edd.ca.gov/pdf_pub_ctr/de231z.pdf .	Employer	First \$7,000 of wages per employee, in a calendar year.	New employer tax rate is 3.4 percent (.034) for a period of two to three years. Following this period, the tax rate is calculated annually based on each employer's previous UI experience and the condition of the UI Fund.	\$434 per employee, per year (calculated at the highest UI tax rate of 6.2 percent [.062]). Your maximum UI tax amount will be less if your rate is less than 6.2 percent.
Employment Training Tax (ETT)	Employer	First \$7,000 of wages per employee, in a calendar year.	Set by law at 0.1 percent (.001) of UI taxable wages for employers with positive UI reserve account balances.	\$7 per employee, per year.
State Disability Insurance (SDI) Disability Insurance (DI) and Paid Family Leave (PFL) are components of the SDI program and are included in the SDI employee contributions.	Employee Employer withholds SDI contributions from employee wages; employers are responsible for SDI not withheld from employee wages. If the employer pays SDI for employee(s), refer to page 9 .	First \$106,742 of wages per employee, in a calendar year.	The 2016 withholding rate is .9 percent (.009). Set by law, the SDI rate may change each year. The EDD notifies employers of the new rate each December.	\$960.68 per employee, in a calendar year.
California Personal Income Tax (PIT)	Employee Household employers are not required to withhold PIT from employee wages unless both the employer and employee agree to withhold the tax. Refer to page 12 . However, the employee is still responsible for reporting wages and paying any PIT due to the California Franchise Tax Board (FTB).	Normally, all PIT wages (cash and noncash). See page 12 for information on when to exclude meals and lodging from PIT wages.	PIT is withheld based on each <i>Employee's Withholding Allowance Certificate</i> (Form W-4 or DE 4) and the withholding schedules available online at www.edd.ca.gov/Payroll_Taxes/Rates_and_Withholding.htm .	No maximum

Withholding California Personal Income Tax

If a household employee wishes to have California Personal Income Tax (PIT) withheld from his or her wages **and** you agree to withhold it, you need to report and send the PIT withheld to the EDD.

To have California PIT withheld, your employee(s) must complete a federal *Employee's Withholding Allowance Certificate* (Form W-4) or state *Employee's Withholding Allowance Certificate* (DE 4). You can refer your employee(s) to the online calculator at www.taxes.ca.gov/de4.pdf, which prints the DE 4 after calculating the withholding allowances.

The California Withholding Schedules are available online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm to determine the amount of PIT to be withheld from wages.

The DE 4 is available for download or order online at www.edd.ca.gov/forms/ or contact the Taxpayer Assistance Center at 888-745-3886.

PIT Wages and the Value of Meals and Lodging: Meals and lodging are excluded from PIT wages and withholding if you provide meals and lodging to your employee(s) because it is convenient for you, **and**:

- Meals are furnished on your premises;

and/or

- Lodging is furnished on your premises and is required as a condition of employment.

Example: A governess lives and eats meals in your home so she can take care of your children. The value of the meals and lodging would not be considered PIT wages, and PIT would not be withheld because the meals and lodging are furnished on your premises for your convenience.

The value of the meals and lodging would be included in total subject wages reported on the *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) for Annual household employers and on the *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C) for Quarterly household employers. For additional information, the *Information Sheet: Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers (DE 3BHW)* (DE 231PH) is available online at www.edd.ca.gov/pdf_pub_ctr/de231ph.pdf.

If the meals and lodging do not meet the exclusion listed above, these amounts must be added to the cash wages paid to your workers before computing the amount of PIT to withhold. Refer to the "Values of Meals and Lodging" tables on [page 10](#) to determine the cash value to report, or go online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm.

Remember:

- An employee's calendar year total for PIT wages should agree with the amount reported in Box 16 on the employee's *Wage and Tax Statement* (Form W-2). Additional information about the Form W-2 is available on the Internal Revenue Service website at www.irs.gov.
- While household employers are not required to withhold PIT, they are required to report PIT wages on the DE 3BHW or DE 9C. The PIT wages are reported separately from subject wages on the quarterly wage reports (DE 3BHW or DE 9C) that you file with the EDD.

ANNUAL HOUSEHOLD EMPLOYERS

Overview

Household employers who pay \$20,000 or less in cash and noncash wages in one calendar year may elect to make one yearly payment for their California payroll taxes.

- You will not automatically be considered an Annual household employer.
- If you do not elect to become an Annual household employer, you will be registered as a Quarterly household employer even if you pay \$20,000 or less in wages.
- If you elect to pay taxes annually, you must still report employee subject wages, Personal Income Tax (PIT) wages, and PIT withholdings quarterly.

Household employers may elect to become Annual household employers using one of the following forms:

- **Registration Form for Employers of Household Workers (DE 1HW)**
You may elect to become an Annual household employer when you register with the EDD by checking the “Yes” box in Item L on the DE 1HW or by selecting to file and pay annually when you register online with e-Services for Business at www.edd.ca.gov/e-Services_for_Business.
- **Employer of Household Worker Election Notice (DE 89)**
If you previously registered with the EDD, you may complete the DE 89 and return it to the EDD to become an Annual household employer. Refer to information below regarding the DE 89.

As an Annual household employer, you must file the following forms:

- **Each Quarter:** Report employee subject wages, Personal Income Tax (PIT), and PIT withholding on a *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW).
- **Annually:** File an *Employer of Household Worker(s) Annual Payroll Tax Return* (DE 3HW) with a payment for the total payroll taxes due. If wages were reported during the year, you must submit your payment with the DE 3HW.

NOTE: If you are an Annual household employer and your total accumulated wages exceed \$20,000 during the year, you must notify the EDD immediately to change your filing status to Quarterly household employer. Refer to [page 24](#) for additional information.

File online using e-Services for Business at www.edd.ca.gov/e-Services_for_Business.

Sample forms are provided on [pages 8, 16, 18](#), and [20](#), respectively.

California law allows certain employers of household workers the option to pay California employment taxes for their household employees annually instead of quarterly. Information on wages paid to employees must still be reported on a quarterly basis on a form provided for this purpose. To be eligible to elect this option, an employer must:

- Be registered with the Employment Development Department (EDD) as an employer of household workers.
- Have no delinquent taxes or returns due to the EDD.
- Intend to pay \$20,000 or less in wages in a calendar year to your household employees. (The sum of all subject wages, cash or noncash, paid to all employees must be no more than \$20,000 per year.)

To elect this tax payment option, complete the election notice at the bottom of this document and return it to the address indicated below. If approved, you will be notified in writing. Once approved, the election is effective the first day of the calendar year, January 1, in which the election is filed.

As an annual payer, you will file the quarterly *Employer of Household Worker(s) Quarterly Report of Wages and Withholdings* (DE 3BHW) and the annual *Employer of Household Worker(s) Annual Payroll Tax Return* (DE 3HW). Until then, please continue to file the *Quarterly Contribution Return and Report of Wages* (DE 9) and the *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C), along with your *Payroll Tax Deposit* (DE 88) coupon.

Please note, if you pay more than \$20,000 in wages in any given year, the election will be terminated, your account will revert back to a quarterly payer, and you will be required to file and pay all payroll taxes owed for the year at the end of the calendar quarter.

If you have any questions or need assistance, call the Taxpayer Assistance Center toll-free at 888-745-3886 or TTY 800-547-9565, or visit the EDD website at www.edd.ca.gov to view the *Household Employer's Guide* (DE 8829)

Please cut and return the bottom portion of this notice to the address below. You may also fax your election notice to 916-654-9211.

EMPLOYER OF HOUSEHOLD WORKER ELECTION NOTICE

I am an employer of household workers and wish to elect to pay California employment taxes annually. I intend to pay no more than \$20,000 per year in wages to my workers. I understand that if I pay more than \$20,000 during the year, the election will be terminated and I will be required to file and pay all payroll taxes owed for the year at the end of that calendar quarter. I will also be required to file quarterly tax returns with payment for the remainder of the year. I will then need to file a new election to be eligible for this program in the future.

Employer Paid Taxes for Employees

If you pay the State Disability Insurance (SDI) tax without deducting it from your employees' wages, the amount of the SDI you paid **is** considered an increase in the employees' wages and **should** be included in subject wages for Unemployment Insurance (UI), Employment Training Tax (ETT), and State Disability Insurance (SDI) purposes.

If you pay Social Security and/or Medicare without deducting them from your employees' wages, the amount you paid **is not** considered an increase in the employees' wages and **should not** be included in subject wages for UI, ETT, or SDI purposes.

If you and your employee have agreed to withhold PIT, the amount of Social Security, Medicare, or SDI that you paid without deducting from the employee's wages **should** be included in **PIT wages** and used to calculate the PIT withholding amount.

For assistance in calculating subject wages and PIT wages under these circumstances, refer to *Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer* (DE 231Q). The DE 231Q is available online at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf or contact the Taxpayer Assistance Center at 888-745-3886.

When to Change From an Annual Household Employer to a Quarterly Household Employer

If your total accumulated wages exceed \$20,000 during the year, you must notify the EDD immediately. Contact the Taxpayer Assistance Center at 888-745-3886 and an EDD representative will assist you in changing to a Quarterly taxpayer.

Household Employer

As a Quarterly household employer, you will no longer prepare a DE 3BHW and DE 3HW. Each quarter, you will complete a *Quarterly Contribution Return and Report of Wages* (DE 9) and a *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C). You will begin sending a *Payroll Tax Deposit* (DE 88) coupon along with your tax payment to the EDD at least quarterly. If you are required to change to a Quarterly household employer mid-year, you must file a DE 3HW to cover the quarters you were an Annual household employer and a DE 9 and DE 9C for the quarters you were a Quarterly household employer. In the following years, you will no longer file a DE 3HW.

For an explanation of the responsibilities of a Quarterly household employer, please refer to the “Quarterly Household Employers” section of this guide, beginning on [page 25](#). This section includes sample forms.

QUARTERLY HOUSEHOLD EMPLOYERS

Overview

If your total annual accumulated wages (both cash and noncash) are more than \$20,000 or if you do not elect to become an Annual household employer, you must file wage reports quarterly and pay taxes at least quarterly.

Note: For information on how to elect to become an Annual household employer, refer to [page 15](#).
As a Quarterly household employer, you must submit the following forms:

- ***Quarterly Contribution Return and Report of Wages (DE 9).***
- ***Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C).***
- ***Payroll Tax Deposit (DE 88).***

The EDD offers a full range of online services for filing and paying state payroll taxes. Refer to the e-Services for Business section on [page 13](#).

Sample forms are available on [pages 27, 29, and 31](#), respectively.

Need assistance in completing the paper *Payroll Tax Deposit* (DE 88) coupon? The EDD offers an online course, "How to Complete a Payroll Tax Deposit (DE 88/DE 88ALL)," to assist you. Additional information about this course and other online courses is available at www.edd.ca.gov/payroll_taxes/web_based_seminars.htm.

How to Calculate Taxable Wages

Unemployment Insurance (UI) tax and Employment Training Tax (ETT) are calculated up to the UI taxable wage limit of each employee's wages per year and are paid by the employer. State Disability Insurance (SDI) tax is calculated up to the SDI taxable wage limit of each employee's wages in 2016 and is withheld from the employee's wages.

NOTE: Examples were created using 2015 UI taxable wage limit of \$7,000 and SDI taxable wage limits of \$104,378.

Example: An employer has two employees, Jane and John (for illustrative purposes only).

In the first quarter, Jane is paid \$10,000 and John is paid \$6,000. The employer pays UI tax and ETT taxes on \$7,000 of Jane's wages and all of John's wages. The employer will not pay UI and ETT taxes for Jane for the remainder of the year since she has reached the UI taxable wage limit. SDI is withheld from both employees' total wages.

First Quarter	<u>Taxable Wages</u>	<u>Taxable Wages</u>
	<u>UI/ETT</u>	<u>SDI</u>
Jane	\$ 7,000.00	\$ 10,000.00
John	+ 6,000.00	+ 6,000.00
Total Taxable Wages	\$ 13,000.00	\$ 16,000.00

In the second quarter, Jane is paid \$35,000 and John is paid \$500. The employer pays UI and ETT on John's total wages since the UI taxable wage limit has not been met. The employer withholds SDI from both employees' total wages since neither has reached the SDI taxable wage limit.

Second Quarter	<u>Taxable Wages</u>	<u>Taxable Wages</u>
	<u>UI/ETT</u>	<u>SDI</u>
Jane	\$ 00.00	\$ 35,000.00
John	+ 500.00	+ 500.00
Total Taxable Wages	\$ 500.00	\$ 35,500.00

In the third quarter, Jane is paid \$35,000 and John is paid \$8,000. The employer pays UI and ETT on \$500 of John's wages; he has now reached the UI taxable wage limit. The employer withholds SDI from both employees' total wages since neither has reached the SDI taxable wage limit.

Third Quarter	<u>Taxable Wages</u>	<u>Taxable Wages</u>
	<u>UI/ETT</u>	<u>SDI</u>
Jane	\$ 00.00	\$ 35,000.00
John	+ 500.00	+ 8,000.00
Total Taxable Wages	\$ 500.00	\$ 43,000.00

In the fourth quarter, Jane is paid \$37,000 and John is paid \$15,000. The employer only withholds SDI taxes on \$24,378 of Jane's wages since she reached the SDI limit. The employer withholds SDI from John's total wages since he was not paid more than the SDI taxable wage limit in the calendar year.

Fourth Quarter	<u>Taxable Wages</u>	<u>Taxable Wages</u>
	<u>UI/ETT</u>	<u>SDI</u>
Jane	\$ 00.00	\$ 24,378.00
John	+ 00.00	+ 15,000.00
Total Taxable Wages	\$ 00.00	\$ 39,378.00

State Disability Insurance (SDI) Withholding

The SDI tax rate (which includes Disability Insurance and Paid Family Leave) for calendar year 2016 is available on the inside cover. The SDI tax is withheld from all cash and noncash wages paid to each employee in 2016 up to the SDI taxable wage limit. Noncash wages include meals and lodging (refer to "Values of Meals and Lodging" tables on [page 10](#)). Refer to **NOTE 2** below if you do not withhold SDI from your employees' wages.

If SDI tax is withheld from your employees' wages, a *Payroll Tax Deposit* (DE 88) coupon must be sent to the EDD at least once each quarter and must be postmarked or received by the dates listed in the table on [page 35](#). If you withhold more than \$500 in Personal Income Tax (PIT) from your employees during a quarter, refer to the California Deposit Requirement table available online at www.edd.ca.gov/payroll_taxes/timely_payroll_tax_deposits.htm or contact the Taxpayer Assistance Center at 888-745-3886 to determine when to send your SDI and PIT payment to the EDD.

Example: Total SDI taxable wages for the quarter are \$13,000 (for illustrative purposes only). Examples were created using the 2015 rates. Refer to the inside cover for the 2016 rates.

SDI Taxable Wages	\$13,000
x <u>SDI Tax Rate</u>	x <u>0.009</u>
SDI Taxes Due	\$117 (Enter this amount in Box C of the DE 88)

NOTE:

1. If, after paying \$750 in cash wages in one or more quarters in a calendar year, you begin paying your employees less than \$750 in the following quarters, you must continue withholding SDI taxes from your employees' wages through December of the following year. Once you exceed the threshold on wages, you continue to be subject through the following year.
2. If you pay the SDI tax without deducting it from your employees' wages, the amount of SDI you paid is considered an increase in the employees' wages and must be used to calculate Unemployment Insurance (UI), Employment Training Tax (ETT), and SDI withholding. The additional amount must also be included as PIT wages and used to calculate the PIT withholding amount if you and any of your employees have agreed to withhold PIT.

If you pay Social Security and/or Medicare taxes without deducting them from your employees' wages, these payments are not considered an increase in the employees' wages for UI, ETT, and SDI but **are** an increase in PIT wages that must be used to calculate the PIT withholding amount.

Assistance in calculating subject wages and PIT wages under these circumstances is available online. Refer to *Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer* (DE 231Q) at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf or contact the Taxpayer Assistance Center at 888-745-3886.

How to Compute

Unemployment Insurance (UI) Tax and Employment Training Tax (ETT)

If you pay cash and noncash wages of \$1,000 or more in a calendar quarter to your household employees, in addition to withholding State Disability Insurance (SDI), you must pay UI tax and ETT at the following rates:

- The UI tax rate for new employers or those newly subject to UI is 3.4 percent (.034). Your tax rate will be given to you when you register with the EDD or become subject to UI. Your tax rates (UI, ETT, and SDI) are updated once each year with a *Notice of Contribution Rates and Statement of UI Reserve Account* (DE 2088) and mailed to you in December, showing the rates for the upcoming year. UI tax is paid on cash and noncash wages paid to each employee in 2016 up to the UI taxable wage limit. Refer to the inside cover for the 2016 UI taxable wage limit. Noncash wages include meals and lodging. Refer to “Values of Meals and Lodging” on [page 10](#).
- The ETT rate is set by law at 0.1 percent (.001) on your UI taxable wages. However, if you have a negative UI reserve account balance on June 30, you will not be required to pay ETT the following calendar year. The annual DE 2088 will show whether your rate is zero (0) or 0.1 percent (.001).

Example: You have two employees and your total UI taxable wages for the quarter are \$12,000 (for illustrative purposes only). The UI tax rate is 3.4 percent (.034). The ETT rate is 0.1 percent (.001). Examples were created using standard starting rates, your UI rate may differ.

UI Taxable Wages	\$12,000
x <u>UI Tax Rate</u>	x <u>0.034</u>
UI Taxes Due	\$ 408 (Enter this amount in Box A of the DE 88)
UI Taxable Wages	\$12,000
x <u>ETT Rate</u>	x <u>0.001</u>
ETT Due	\$ 12 (Enter this amount in Box B of the DE 88)

The UI tax and ETT amounts are paid by the employer and are not withheld from employees' wages.

Your payroll taxes and a *Payroll Tax Deposit* (DE 88) coupon **must** be submitted to the EDD each quarter, unless you filed electronically.

File online at e-Services for Business at www.edd.ca.gov/e-Services_for_Business. If you do not file online, you may file by paper method. All payments must be received or postmarked by the dates listed on the table on [page 35](#).

Correcting Previously Submitted Payroll Tax Deposits

You can correct prior *Payroll Tax Deposit* (DE 88) tax deposit(s) online through e-Services for Business at www.edd.ca.gov/e-Services_for_Business, even if it was submitted on paper.

The following two tables clarify when to notify the EDD of adjustments and how to make them.

Form	Reason for Adjustment	How to Make an Adjustment
Correcting previously submitted <i>Payroll Tax Deposit</i> (DE 88) coupons	Overpaid UI, ETT, SDI, and/or PIT on a DE 88 prior to filing your <i>Quarterly Contribution Return and Report of Wages</i> (DE 9) and <i>Quarterly Contribution Return and Report of Wages (Continuation)</i> (DE 9C).	On the next DE 88 for the same calendar quarter , reduce the amount of taxes due by the amount of the overpayment. Do not show credits on the DE 88.
	Overpaid UI, ETT, SDI, and/or PIT on a DE 88 prior to filing DE 9/DE 9C and you cannot reduce the overpayment on your next deposit within the quarter.	Claim a refund on line J when you file your DE 9 at the end of the quarter.
	Overwithheld PIT and <ul style="list-style-type: none"> DE 9 was filed. DE 9C was filed. Form W-2 was issued to the employee. 	DO NOT: <ul style="list-style-type: none"> Refund overwithheld PIT to the employee. Change the California PIT withholding amount shown on the Form W-2. File a claim for refund with the EDD. <p>The employee will receive a credit for the PIT overwithholdings when filing a California State income tax return with the Franchise Tax Board (FTB).</p>
	Underpaid UI, ETT, SDI, and/or PIT prior to filing your DE 9/DE 9C.	File a DE 88 and pay the amount due, including penalty and interest. Indicate the payroll date on the DE 88.
	Underpaid UI, ETT, SDI, and/or PIT and your DE 9/DE 9C was filed.	Complete a DE 88 and pay the additional amount due for the quarter, including any penalty and interest, or when you receive a <i>Statement of Account</i> (DE 2176) in the mail, pay the balance due.
	Allocated the wrong amounts to specific funds on a DE 88.	Do not adjust. The EDD will make the necessary adjustments at the end of the quarter when your DE 9 is filed.

When **written permission** is obtained from an employee, you are authorized to adjust any overwithheld or underwithheld California PIT from the employee if the adjustment is made within the same calendar year and before the IRS *Wage and Tax Statement* (Form W-2) is issued.

Overwithheld SDI and/or PIT must be credited or refunded to your employee **before** you can take a credit or receive a refund from the EDD. You should obtain a receipt from the employee whenever a credit adjustment or repayment of overwithheld tax is made.

NOTE: A claim for credit or refund must be filed within three years of the delinquent date for the quarter being adjusted.

No Longer Paying Wages

If you stop employing people to work in your home and do not intend to hire anyone in the future, you must send the EDD a final *Quarterly Contribution Return and Report of Wages* (DE 9) (enter the last date you paid wages), a *Quarterly Contribution Return and Report of Wages (Continuation)* (DE 9C), and *Payroll Tax Deposit* (DE 88) coupon with payment of any taxes within 10 days. If you plan to employ people to work in your home in the future, but do not have payroll this quarter, mark "No Wages Paid This Quarter" (Item A) on the DE 9 and "No Payroll" (Item C) on the DE 9C and send to the EDD. These reports must be filed even if no wages were paid in the quarter. These forms are available online at www.edd.ca.gov/forms/, or contact the Taxpayer Assistance Center at 888-745-3886 for assistance.

Employers may close their employer payroll tax account online using e-Services for Business at www.edd.ca.gov/e-Services_for_Business.

For the latest news and helpful information,
refer to the online quarterly **California Employer Newsletter** at
www.edd.ca.gov/payroll_taxes/california_employer_newsletter.htm.

REPORTING NEW EMPLOYEES

Purpose: All employers are required by law to report all newly hired or rehired employees to the New Employee Registry (NER) within 20 days of their start-of-work date, which is the first day services were performed for wages.

- **NEWLY HIRED** employees are those individuals who have not previously been included on your payroll.
- **REHIRED** employees are those individuals who were previously included on your payroll, left your employment, and were rehired after a separation of at least 60 consecutive days.

The NER assists California's Department of Child Support Services and Department of Justice in locating parents to collect delinquent child support payments. Employers must also report the actual start-of-work date (not the date hired) for each newly hired employee so that the NER data can be cross-matched to the Unemployment Insurance (UI) benefit file. This will result in the early detection and prevention of UI benefit overpayments.

Filing Options for Reporting New or Rehired Employees

The following options are available to report new or rehired employees:

1. File online at www.edd.ca.gov/e-Services_for_Business. It's fast, easy, and secure.
2. Download the *Report of New Employee(s)* DE 34 form online at www.edd.ca.gov/pdf_pub_ctr/de34.pdf.
3. Order DE 34 forms using our online order form at www.edd.ca.gov/forms.

When Due: You must report all newly hired employees (refer to "Who Are Household Employees?" on [page 4](#)) within 20 days of the start-of-work date, which is the first day of work. Any employee that is rehired or returns to work after a separation of at least 60 consecutive days must also be reported within the 20 days.

The following information must be included when reporting new employees:

Employer Information	Employee Information
EDD eight-digit employer account number	First name, middle initial, and last name
Federal Employer Identification Number (FEIN)	Social Security number (SSN)
Business name	Home address
Business address	Start-of-work date
Contact person and phone number	

A sample DE 34 is available on [page 43](#).

Filing an Informal Report

If you are not able to obtain a DE 34 form by the due date, file an informal report or a copy of the employee's Form W-4 to avoid penalty and interest charges. Your informal report should include all the information listed in the above table.

Mail or fax your new employee information to:

**Employment Development Department
Document Management Group, MIC 96
PO Box 997016
West Sacramento, CA 95799-7016
Fax: 916-319-4400**

NOTE: If the people who work in your home are independent contractors, you do not need to report them to the EDD (refer to "Who Are Household Employees?" on [page 4](#)). The requirement for businesses and government entities to report independent contractors does not apply to household employers.

If you are not sure if the people who work in your home are employees or independent contractors, contact the Taxpayer Assistance Center at 888-745-3886 for assistance.

FEDERAL WAGE AND TAX STATEMENT (FORM W-2)

As an employer, you are required to prepare a federal *Wage and Tax Statement* (Form W-2) for each of your employees. You must provide your employees with their 2016 Form W-2 by January 31, 2017.* Prepare the Form W-2 on the federal/state four-part paper form.

If you need information on Form W-2 reporting requirements, refer to the Internal Revenue Service (IRS) Employer's Tax Guide (Publication 15, Circular E). For instructions on completing Form W-2, refer to the IRS publication 2016 General Instructions for Forms W-2 and W-3 available online at the IRS website at www.irs.gov or contact the IRS at 800-829-3676.

In addition to the federal information required, you must include California Personal Income Tax (PIT) wages, PIT withheld, and State Disability Insurance (SDI) withheld in the following Form W-2 boxes:

FORM W-2	
Box	Enter
Box 16 (State wages, tips, etc.)	California PIT wages
Box 17 (State income tax)	California PIT withheld (if any)
Box 19 (Local income tax)	The abbreviation "CASDI" and SDI withheld

NOTE:

- If Box 19 has local taxes, use Box 14, Other. If **no** boxes are available, you are required to provide your employees with a separate written statement containing:
 - Name of household employer, address, Federal Employer Identification Number (FEIN), and the EDD eight-digit employer account numbers.
 - The employee's name, address, and Social Security number.
 - The amount of SDI withheld and/or paid directly by you.
- If the wages were **not** subject to SDI, show "CASDI 0" (zero).
- If you paid SDI taxes **without** withholding the SDI from the employee's wages, you should show the SDI taxes as if they were withheld and increase the amount you report according to the formula shown on the *Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer* (DE 231Q). The DE 231Q is available online at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf.

Generally, the amount reported as California PIT wages on Form W-2 in Box 16 is the same as the federal wages (Box 1).

If you discover an error on a previously issued Form W-2, refer to the IRS publication 2016 General Instructions for Forms W-2 and W-3 for instructions on how to complete an IRS *Corrected Wage and Tax Statement* (Form W-2C).

Send Forms W-2 and Forms W-2C to your employees and the Social Security Administration. **Do not** send the "state" copies of Forms W-2 and Forms W-2C to the State of California (the EDD or Franchise Tax Board).

* Employers failing to provide a Form W-2 to each employee, or who furnish a false or fraudulent statement, are subject to a penalty of fifty dollars (\$50) for each such failure as imposed under Section 13052 of the California Unemployment Insurance Code (CUIC). Employers may also be subject to an additional penalty for failure to file informational returns (Form W-2 or Form 1099-MISC) for misclassified employees as provided under Section 13052.5 of the CUIC. The amount of the penalty is determined based upon the unreported remuneration for personal services multiplied by the maximum rate as provided under Section 17041 of the Revenue and Taxation Code. Contact the EDD Taxpayer Assistance Center at 888-745-3886 for additional information.

Earned Income Tax Credit Information Act

Effective January 1, 2008, all employers are required to notify all of their employees of the federal Earned Income Tax Credit (EITC).

Employers who are subject to and required to provide Unemployment Insurance to their employees must provide EITC notification to the employee by either handing it directly to the employee or mailing it to the employee's last known address. Posting of this information on an employee bulletin board **will not** satisfy the notification requirement.

The notification shall be provided at the same time or within one week, before or after, that the employer provides the employee with an annual wage summary, including, but not limited to, a Form W-2 or a Form 1099. The notice shall include instructions on how to obtain any notices available from the Internal Revenue Service (IRS) for this purpose, including, but not limited to, the IRS Notice 797, **or** any successor notice or form, or any notice created by you, as long as it contains substantially the same language as the notice below.

"Based on your annual earnings, you may be eligible to receive the earned income tax credit from the federal government. The earned income tax credit is a refundable federal income tax credit for low-income working individuals and families. The earned income tax credit has no effect on certain welfare benefits. In most cases, earned income tax credit payments will not be used to determine eligibility for Medicaid, supplemental security income, food stamps, low-income housing, or most temporary assistance for needy families' payments. Even if you do not owe federal taxes, you must file a tax return to receive the earned income tax credit. Be sure to fill out the earned income tax credit form in the federal income tax return booklet. For information regarding your eligibility to receive the earned income tax credit, including information on how to obtain the IRS Notice 797, or any other necessary forms and instructions, contact the Internal Revenue Service by calling 800-829-3676 or through its website at www.irs.gov."

WHAT PAYROLL RECORDS MUST BE KEPT?

Employers are required to keep payroll records for at least four years. If you believe that you are **not** a subject employer or your employees are exempt, state law requires that you maintain records of payments made to people who provide household services for at least eight years in case of an employment tax audit.

Your records must provide a true and accurate account of all workers (employed, no longer employed, or on a leave of absence, and independent contractors) and all payments made. Records must include the following information for each worker:

- Worker's:
 - Full name (first name, middle initial, and last name).
 - Social Security number.
- Date hired, rehired, or returned to work after a temporary layoff.
- Last date services were performed.
- Place of work.
- Money paid:
 - Dates and amounts of payment.
 - Pay period covered.
 - Cash or cash value of in-kind wages (such as meals, lodging, bonuses, and gifts).
(Refer to "Values of Meals and Lodging" on [page 10](#).)
- The amounts withheld from employee wages.
- Disbursement records showing payments to workers.
- Other information necessary to determine payments to workers.

You may use any payroll record that provides the information listed above. An Employee Earnings Record sample is provided on [page 47](#).

If you have any questions about the records you must keep, refer to *Information Sheet: Employment Tax Audit Process* (DE 231TA). The DE 231TA is available online at www.edd.ca.gov/pdf_pub_ctr/de231ta.pdf or contact the Taxpayer Assistance Center at 888-745-3886.

Your Reserve Account

If you pay \$1,000 or more in cash wages to household employees during a calendar quarter, you are required to pay Unemployment Insurance (UI) tax and Employment Training Tax (ETT) on each employee's wages up to the UI taxable wage limit, each calendar year. Your UI reserve account is a record of the UI taxes you have paid (credits) and the UI benefits that the EDD has paid (charges) to your former employees who were found eligible to receive UI benefits or who qualified for reduced UI benefits when working less than full-time for you. Your UI reserve account is a "paper" account for recordkeeping purposes and has no cash value. The difference between the credits and charges is the reserve account balance, which may be positive or negative. Your account balance is used only to determine your annual UI tax rate. If you have a negative reserve account balance as of June 30, you will not have to pay ETT for the following calendar year.

Notices

When your former employee ("claimant") applies for UI benefits, the last employer reported by the claimant will receive a *Notice of Unemployment Insurance Claim Filed* (DE 1101C/Z or DE 1101ER). Only the last employer of record will receive this notice to advise them that the claimant has filed a UI claim, and it includes the reason the claimant stated for no longer working.

If you have any information that would affect the claimant's eligibility for UI benefits, please complete the form and return it to the EDD within 10 days of the date the notice was mailed to you. If you believe that your UI reserve account should not be charged for the benefits, it is important that you provide information by the required deadline explaining why the claimant was terminated or the reasons the claimant gave for voluntarily quitting. The DE 1101C/Z and DE 1101ER includes instructions that explain how to complete the form. Your information is needed to gather relevant facts that will assist the EDD in determining if the claimant is eligible to receive UI benefits. **Failure to respond timely may result in an increase to your UI tax rate.**

If you respond to the notice within the legally required 10 days of the notice date and provide information why you think the claimant should not be eligible for UI benefits, the EDD will send you a *Notice of Determination and/or Ruling* (DE 1080EZ). The DE 1080EZ advises you whether or not the claimant is eligible for UI benefits and if your UI reserve account will be charged for UI benefits if the claimant is found eligible based on the reason for separation from your employment. If you fail to respond to the DE 1101C/Z or DE 1101ER, or respond untimely, you are not entitled to a determination and/or a ruling. However, if you respond untimely and provide the reason you are submitting the eligibility information untimely, the EDD will determine if you had good cause for not submitting your response timely. If there is a finding of good cause, you will be entitled to a determination and/or ruling. Also, if you respond untimely with eligibility information, the EDD will conduct a determination of eligibility for UI benefits with the claimant regardless of whether you are entitled to a notice of determination and/or a ruling.

If the EDD finds that a claimant is eligible to receive UI benefits, a *Notice of Wages Used for Unemployment Insurance (UI) Claim* (DE 1545) is mailed to all base-period employers after the first benefit payment is sent to the claimant. If you are a base-period employer, you will receive a DE 1545. The DE 1545 will inform you of the wages used to establish the UI claim and the amount of potential charges to your UI reserve account. All or part of the benefits paid to the claimant may be charged to your UI reserve account.

If you believe that your UI reserve account should not be charged for the benefits, it is important that you complete the form and return it by the required deadline to the EDD as indicated on the form. The DE 1545 includes instructions on how to complete the form. You will need to explain why your account should not be charged for the UI benefits. If you previously responded to a DE 1101C/Z or DE 1101ER for the same employee concerning the same separation or other issue, you do not need to return the DE 1545.

However, if you have new information that may affect the claimant's eligibility for Unemployment Insurance (UI) benefits then you must report the new information to the EDD. Please complete the DE 1545 timely by returning it within 15 calendar days from the mail date of the notice. If the wage information is incorrect, you must submit a corrected copy of the wages within 20 days from the mail date of the notice. When a claimant is approved for the California Training Benefits (CTB) program, a *Notice of Potential Increased Liability for Training Extension Benefits* (DE 1545TE) is mailed to all base-period employers. This notice will inform you of the maximum amount of potential benefits payable, including training extension benefits and the amount of potential charges to your UI reserve account. If you believe that your UI reserve account should not be charged for the training benefits, your protest must be mailed by the date indicated on the form. The response should provide information explaining why the claimant should not be eligible for CTB under the California Unemployment Insurance Code section cited. If the DE 1545TE indicates that you previously received a favorable ruling, your account will not be charged and no response will be necessary.

To maintain the integrity of the UI program, the EDD investigates cases of potential imposter fraud and identity theft. As part of our investigation, you may receive a *Request for Additional Information* (DE 1326ER) asking you to validate information provided to us by an individual who has filed a claim for UI benefits. The DE 1326ER is mailed to the last employer and base-period employers to request additional identifying information to validate the identity of the individual. Your prompt response to the DE 1326ER will protect your employer payroll tax account from charges if the determination of eligibility results in a disqualification, and it will assist the EDD in maintaining the integrity of the UI Fund.

Additional information on protecting your employer payroll tax account from fraudulent UI claims, protecting your employees, and fighting imposter fraud can be found online at www.edd.ca.gov/unemployment/fraud_prevention.htm.

NOTE: You should keep copies of all your responses to the EDD notices for your records.

Notices of Determination, Ruling, or Modification

You will receive a notice from the EDD in response to the timely information reported regarding a claimant's eligibility for UI benefits on the DE 1101C/Z, DE 1101ER, DE 1545, or DE 1545TE. Depending on the specific circumstances involved, you will receive one of the following notices:

Notice	Purpose
DE 1080EZ: <ul style="list-style-type: none"> • Notice of Determination 	Sent to an employer who responds timely to a DE 1101C/Z, DE 1101ER, DE 1545, or DE 1545TE, or who submits timely correspondence with claimant eligibility information other than information regarding a voluntary quit or discharge.
<ul style="list-style-type: none"> • Notice of Determination/ Ruling 	Sent to an employer who responds timely to a DE 1101C/Z or DE 1101ER with information regarding a voluntary quit or discharge. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.
<ul style="list-style-type: none"> • Notice of Ruling 	Sent to an employer who responds timely to a DE 1545 with information regarding separation(s) that occurred within the base period. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.
DE 1080M: <ul style="list-style-type: none"> • Notice of Modification 	Sent to an employer who previously received a DE 1080EZ stating that the claimant was disqualified from receiving UI benefits. The purpose of this form is to inform the employer that the claimant's disqualification period has ended and the claimant has met the criteria required to receive UI benefits. This notice does not change the original ruling issued to the employer.

Appeal Rights

You have the right to file an appeal if you do not agree with the EDD decision about:

- A former employee's eligibility to receive UI benefits.
- Charges made to your UI reserve account due to paid UI benefits.

You must send your written appeal to the EDD within 30 days of the mail date of the *Notice of Determination and/or Ruling* (DE 1080EZ). The EDD will send you an acknowledgment of receipt and registration of your appeal with the phone number for the Office of Appeals hearing the case. The Office of Appeal will schedule a hearing with an administrative law judge (ALJ). Both you and your former employee will be notified of the date, time, and place of the hearing at least 10 days before the hearing date. If you are filing an appeal to a *Notice of Ruling* (DE 1080EZ), the employee is not considered a party to the proceeding and is not notified of the hearing. The ALJ will conduct a hearing and give all interested parties the opportunity to present their evidence. The ALJ will consider the facts presented at the hearing and issue a written decision that is mailed to all concerned parties.

If you do not agree with the ALJ's decision, you may appeal to the California Unemployment Insurance Appeals Board (CUIAB). The CUIAB reviews appeals to decisions rendered by the ALJ. Both the CUIAB and the ALJs operate impartially and independently of the EDD.

The CUIAB provides the following publications to assist in filing an appeal and preparing for an administrative hearing:

- *Office of Appeals Tax Hearing Information Pamphlet* (DE 6412)
- *Twenty-Seven Ways to Avoid Losing Your Unemployment Appeal* (DE 1432)
- *Unemployment Appeals – A Guide for Claimants, Employers, and Their Representatives* (DE 1434)

Statement of Charges to Reserve Account (DE 428T)

Each September, the annual *Statement of Charges to Reserve Account* (DE 428T) is mailed to you. This statement notifies you of the Unemployment Insurance (UI) benefit charges and credits to your reserve account from July 1 through June 30 of the previous fiscal year. Charges are itemized and based on the UI benefits paid to your former employees. Charges to your reserve account may increase your UI contribution rate for the next calendar year. It is important to review your statement carefully and respond timely if you do not agree with the charges. You have 60 days from the issue date on your statement to protest, in writing, any charges you believe are incorrect. An extension of up to 60 days may be granted for “good cause” (refer to [page 58](#)) if your request is submitted before the protest deadline. When filing your protest, you must include your EDD eight-digit employer account number, the claimant’s name, Social Security number, claim date, the dollar amount, and the specific reason for protesting. Protests with missing information will be returned. If you have address changes and/or agent updates, inform the EDD immediately in order to receive your DE 428T timely.

For further information, refer to the *Explanation and Instruction Sheet* (DE 428C) included with your DE 428T or contact the Taxpayer Assistance Center at 888-745-3886. The DE 428C is also available online at www.edd.ca.gov/pdf_pub_ctr/de428c.pdf.

Notice of Contribution Rates and Statement of UI Reserve Account (DE 2088)

The Unemployment Insurance (UI), Employment Training Tax (ETT), and State Disability Insurance (SDI) tax rates and taxable wage limits may change each year. Each December, the EDD sends you a *Notice of Contribution Rates and Statement of UI Reserve Account* (DE 2088) to notify you of your tax rates and taxable wage limits for the upcoming year. Your 2016 notice will show the items used to determine your UI rate and the balance in your UI reserve account as of July 31, 2015.

Any item on the DE 2088 can be protested except the ETT and SDI tax rates, which are set by law. Your protest must be filed in writing within 60 days of the issued date shown on the notice. An extension of up to 60 days may be granted for “good cause” (refer to [page 58](#)) if your request is submitted before the protest deadline. When filing your protest, you must include your EDD eight-digit employer account number, the specific item(s) being protested, and why you are protesting.

Please mail your protest to:

**Employment Development Department
Rate Management Group, MIC 4
PO Box 826880
Sacramento, CA 94280-0001**

For further information, refer to the *Explanation of the Notice of Contribution Rates and Statement of UI Reserve Account* (DE 2088) for the period of January 1, 2016, to December 31, 2016 (DE 2088C) included with the DE 2088 or contact the Taxpayer Assistance Center at 888-745-3886. The DE 2088C is also available online at www.edd.ca.gov/pdf_pub_ctr/de2088c.pdf.

STATE DISABILITY INSURANCE (SDI)

The State Disability Insurance (SDI) program provides Disability Insurance (DI) and Paid Family Leave (PFL) benefits to eligible workers who have a loss of wages. The SDI program is funded by mandatory payroll deductions from employee wages.

Disability Insurance

DI is a component of the SDI program. The DI benefits are paid to eligible workers who have a loss of wages when they are unable to perform their regular or customary work due to a non-work-related illness or injury, pregnancy, or childbirth.

Paid Family Leave

PFL is a component of the SDI program. PFL provides benefits to workers who take time off from work to care for a seriously ill child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner or to bond with a new child.

Claim Notices

When a DI claim is filed, the employer(s) shown on the DI claim form will receive a *Notice to Employer of Disability Insurance Claim Filed* (DE 2503). When a PFL claim is filed, the employer(s) will receive a *Notice of Paid Family Leave (PFL) Claim Filed* (DE 2503F). Complete and return the DE 2503 or DE 2503F **within two working days**. You may also submit the DE 2503 online through the SDI Online at www.edd.ca.gov/disability.

Because employees pay for DI and PFL, the filing of a DI or PFL claim will not affect your Unemployment Insurance reserve account. Therefore, you will not be notified of the claimant's eligibility for DI/PFL benefits for each occurrence of disability or family leave as a result of the information supplied on the DE 2503 or DE 2503F.

If you have any questions about DI, please access the EDD website at www.edd.ca.gov/disability or contact DI customer service at 800-480-3287. If you have any questions about PFL, access the EDD website at www.edd.ca.gov/disability or contact PFL customer service at 877-238-4373.

SDI Online

SDI Online is an electronic claim filing system available to employers, claimants, physicians/practitioners, and voluntary plan third-party administrators for submission of DI and PFL claim information. Employers can securely submit employee information (wages earned, last day worked, etc.) online. For more information on these online services, visit the EDD website at www.edd.ca.gov/disability.

Help Us Fight Fraud

The "underground economy" is comprised of those individuals and businesses that deal in cash and/or use other schemes to conceal their activities and their true tax liability from government licensing and taxing agencies. When businesses operate in the underground economy, they gain an unfair competitive advantage over businesses that comply with the law because they do not pay Workers' Compensation and state and federal payroll taxes. This causes unfair competition in the marketplace and forces law-abiding businesses to pay higher taxes. To address this, the EDD, in partnership with several other governmental entities, follows up on leads and conducts on-site inspections of businesses throughout the state. To learn more about the EDD Underground Economy Operation (UEO) programs, visit the EDD website at www.edd.ca.gov/payroll_taxes/underground_economy_operations.htm.

To report businesses that are paying workers undocumented cash payments, failing to carry Workers' Compensation insurance, or not complying with labor and licensing laws, please download and complete an *Underground Economy Operations Lead Referral/Complaint Form* (DE 660 in English or DE 660/S in Spanish) available online at www.edd.ca.gov/pdf_pub_ctr/de660.pdf. Account Number	The Employment Development Department (EDD) eight-digit employer account number assigned to each registered employer (for example, 000-0000-0). Always refer to your employer account number when communicating with the EDD. Omission of your account number may result in delays in processing payments, reporting documents, and correspondence.
Annual Household Employer	An employer who pays \$20,000 or less in wages in a calendar year and has elected to pay taxes annually. The employer sends an <i>Employer of Household Worker(s) Quarterly Report of Wages and Withholding</i> (DE 3BHW) to the EDD quarterly and an <i>Employer of Household Worker(s) Annual Payroll Tax Return</i> (DE 3HW) with payment annually.
Base Period	The base period consists of four calendar quarters of three months each. When a base period begins and which calendar quarters are used depends on whether the claim is for Unemployment Insurance (UI) or State Disability Insurance (SDI) and on what date the claim begins. For Unemployment Insurance, there are two types of base periods: the Standard Base Period (see “Base Period Standard [UI]”) and the Alternate Base Period (see “Base Period Alternate [UI]”). There is an option of an alternate base period when the standard base period is not monetarily valid.
Base Period, Alternate (UI)	The UI Alternate Base Period is the last four completed calendar quarters prior to the beginning date of the claim. The Alternate Base Period can only be used if an individual cannot monetarily establish a valid UI claim using the Standard Base Period.
Base Period Employer	Employers who paid the earnings used to establish a UI claim and calculate a benefit amount.
Base Period, Standard (UI)	The UI Standard Base Period is the first four of the last five completed calendar quarters prior to the beginning date of the claim.
California Unemployment Insurance Code (CUIC)	The laws administering California’s Unemployment Insurance (UI), Employment Training Tax (ETT), State Disability Insurance (SDI), and Personal Income Tax (PIT) programs. The CUIC is available on the Internet at www.leginfo.ca.gov/calaw.html .
Cash Wages	Checks and currency paid to people who work for you.
Claim	<p>An application for Unemployment Insurance (UI), Disability Insurance (DI) or Paid Family Leave (PFL) benefits:</p> <ul style="list-style-type: none"> • UI – The process that establishes a UI benefit year is called a new claim. The weekly <i>Continued Claim Form</i> (DE 4581) is used by claimants to certify for UI benefits during the benefit year. The EDD has two new methods that unemployed individuals may use to certify for UI benefits. Rather than filling out and submitting a paper DE 4581 form by mail, individuals may use EDD Tele-CertSM to certify for benefits using the phone or EDD Web-CertSM to certify for UI benefits through the EDD website. After establishing a benefit year, a claimant may interrupt his or her claim for a variety of reasons, for example, the claimant could receive a disqualification, obtain intervening employment, or fail to continue to certify for benefits. The claimant may request to reopen an existing claim with a claim balance by filing an additional or reopened claim during the benefit year.

Claim (Cont.)	<ul style="list-style-type: none">• DI – The application that establishes a DI benefit period is called a first claim. Subsequent certifications on that claim are called continued claims. For each separate period of family leave, a new first claim must be filed.
Claimant	A wage earner who files a claim for UI, DI, or PFL benefits.

GLOSSARY

State Disability Insurance (SDI)	The SDI program provides DI and PFL benefits to eligible workers experiencing a loss of wages. The SDI program is funded by mandatory payroll withholdings from employee wages.
Subject Employer	An employer who is liable under the rules and regulations of the California Unemployment Insurance Code.
Subject Quarter	Calendar quarter when an employer first meets the requirements for reporting their payroll taxes.
Subject Wages	Subject wages are used to determine Unemployment Insurance (UI), Disability Insurance (DI), and Paid Family Leave (PFL) benefits. The DI and PFL are components of SDI. Generally, all wages are considered subject wages, regardless of the UI and SDI taxable wage limits. Refer to inside front cover of this guide for current rates and taxable wage limits.
Taxable Wage Limit	The maximum amount of an employee's wages that certain taxes apply to in a calendar year. For example, in 2016, the taxable wage limit for UI and ETT is \$7,000. Therefore, an employer's UI and ETT tax rate applies to the first \$7,000 paid to each worker during the calendar year. The taxable wage limit for SDI is \$106,742. Since the SDI tax rate is (.009), the maximum 2016 SDI tax on any one employee is \$960.68. There is no limit on the taxability of wages for California Personal Income Tax (PIT) withholding purposes.
Unemployment Insurance (UI)	Benefits paid to eligible California workers who are unemployed. Claimant(s) must meet specific eligibility requirements in order to receive benefits, which are funded by employer payroll taxes.
Wages	All payments made to people who work for you whether paid by check, cash, or the reasonable cash value of noncash payments, such as meals and lodging.
Withholding	Money deducted from your employees' wages for State Disability Insurance (SDI) and California Personal Income Tax (PIT). You must send SDI and PIT withholdings to the EDD at least quarterly, unless you are an Annual household employer.
